## Helpers needed for seniors' drop-in centre

by Wilhemene Cameron

Another week has passed and it is time for another report of the Seniors' meeting. We had about 90 attend. There are still a lot on the sick list and we hope they will soon be able to come. Our secretary made it for the meeting and we are glad to see her.

Charlie McClelland gave a report on the drop-in center. They are asking for volunteers to keep it in operation.

The program committee is having a bit of the Scotch touch for Robbie Burns day on the Jan. 24.

We are planning a trip to see "Hello Dolly". It is at the Gryphon Theatre in Barrie near the end of February.

There are two tournaments coming up in March, one for darts and the other for curling. You just have to be a Senior to participate. Anyone wanting information about either tournament please call me at 322-2079.

Several more thank-you cards were read. We had eight games of euchre.

Winners Euchre: Ladies-(a visitor) Zeld Little 76. Gents-Cecil French 62. Bridge: Table one-Marietta Player and Bertille Marley. Table two-Jaunita Freschette and Frank Loftus. Crib: Table one-All-Ladies Laura Rowatt and Alexandria Smith. Table two-All-gents was tied.

## SCOUTING AROUND

by Harry Brown

Back in 1955, Niagara-on-the-Lake, Ontario was the showplace for World Scouting as Canada hosted the 8th World Jamboree. Thousands of Canadians still recall this great event when 10,000 Scouts from 50 countries camped together for the first time a World Jamboree had been held outside of Europe.

Now, some 28 years later, Canada has the privilege of hosting the 15th World Jamboree at Kananaskis Country Alberta. We are indeed honoured not only to host an International event of this magnitude, but also to do so in celebration of the 75th Anniversary of Scouting.

A World Jamboree, regardless of its physical location, is very unlike a national jamboree. It will be a once-in-a-lifetime experience for boys, which will bring real meaning to the term "World Brotherhood".

This World Jamboree will see up to 15,000 participants from some 115 countries or territories. It will include girls as many world Scout organizations are now co-ed.

Scouting has always stressed the fact that it knows no barriers of race, culture, language or faith and a World Jamboree is an excellent example of Scouting brotherhood.

There are some traditional items which are not featured at other jamborees such as a major arena, a skills display area, a camp-wide game to mix participants and increased sub-camp responsibilities.

In total contrast to CJ '81 there will be less laid-on central program in favour of spontaneous activity in the sub-camps. Each sub-camp will be the site of informal activity, sports, entertainment, cultural activities, dances, sing songs, exchange visits, demonstrations and talent exhibits.

A significant difference, in addition to the international flavour, is an International village of marquees known as the "Gateway to the World" of Scouting. Here Scouts from every land can meet, visit displays, experience radio and electronics, exchange stamps and badges and much more!

The 15th World Jamboree will feature participants from around the world to take part in an adventure of world unity and Scout brotherhood in an atmosphere of fun, good fellowship, challenge and achievement.

Don't let your boys miss this once in a lifetime opportunity!

Remember—Groups may make their own travel arrangements. Those who wish to go on the Provincial Plan will pay \$520 for complete travel cost coverage from the departure point to the Jamboree site and return to the departure point.

While quotas for each district have been set, any boy who meets the criteria should be permitted to attend. If your area exceeds its quota, please contact your Field Executive for additional space.

### No objections, so Flos

#### plan amendment on way

Only two members of the public were present at last Monday night's special meeting of the Flos Township planning committee and council, held to discuss Amendment No. 1 to the Township's official plan.

No objections were forthcoming, so the amendment will be forwarded for approval to the Ministry of Housing and Urban Affairs.

Amendment No. 1 permits a severance of a surplus dwelling unit on farm property where previous severance, prior to May 31, 1976, had been granted.

Typing errors and a map correction were also covered by the amendment.

### Majority of \$80,000

#### has been raised

Penetanguishene's French Centre has raised \$55,000 in cash and received \$15,000 worth of donated equipment and supplies, through its campaign to raise \$80,000 to be used to renovate the former post office

building on the town's Main Street.

Centre manager Basile Dorion says that plans for an official opening are being made, but a date has not been set.

The Centre has received \$20,000 from Wintario and is waiting for a further \$15,000. Efforts will be made later to raise more money to bring the total closer to the \$80,000 target, Dorion said.

### Second chance to see

#### Charlie Brown musical

If the health of Monica Tietz and the rest of the cast members of the MSS Drama Club production of You're A Good Man Charlie Brown holds up, local audiences will have a second chance to see the musical.

Performances last Friday and Saturday were cancelled due to the illness of Tietz, who plays Lucy in the musical. The show will go on this Friday and Saturday.

Tickets for last Friday and Saturday shows will be honoured and tickets are still available, director Chris Thomson says.

The first performance, last Thursday, was a dinner show. All 100 tickets were sold.
