

# Former long-time town employee dies at HDH

Death occurred Monday at Huronia District Hospital of Dennis Mohan of Midland.

The former long-time Midland parks and arena employee had been in ill health for the past three years having been hospitalized at HDH for all that time.

Funeral services for the late Dennis Mohan will take place at Nicholls Funeral Home in Midland, Friday at 1:30 p.m.

Rev. J. L. Self will

officiate.

Visitors may call at the funeral home after 7 p.m. Thursday.

The late Dennis Mohan leaves his wife, five children and five brothers and sisters.

He first joined the town's staff in the "dirty '30s." Those who frequented the King Street arena or Midland's Little Lake Park never failed to be impressed by the late Dennis Mohan's interest in his own work and in the life of those residing

in Midland.

Last year, at this time, former Midland mayor Moreland Lynn along with former reeve William Orr and Editor Doug Reed visited the late Dennis Mohan at HDH where the mayor presented Mohan with a plague and a gold watch marking Mohan's many contributions to Midland.

"I first met Dennis back in 1960 when I moved to town. He was a swell fellow who will be sadly missed. I'm

just so happy last year's council was able to recognize his many contributions," Reed observed, yesterday afternoon upon learning of Dennis Mohan's death.

"He never had a bad word for anyone...that's the kind of fellow he was even though he had been in hospital for the past three years."

According to Reed, "Our town can't afford to lose fellows like Dennis."

# Jim Martin co-chairs Heart Foundation drive in Penetang

Jim Martin, a member of Penetanguishene Rotary Club and co-chairman of the Penetanguishene Chapter of the Ontario Heart Foundation was key note speaker at yesterday's noon luncheon meeting of the service club.

According to Martin, a Penetanguishene funeral director, "February is Heart Month."

"It is the month when the OHF seeks the support of the Ontario public to carry on the sponsorship of heart and stroke research and education in the Province of Ontario."

"Seventy cents of every dollar donated to the OHF is used for research, 18 cents goes to Education & Community Programmes, while seven cents is used for the Campaign for funds and five cents is for administration of the foundation."

"This will be the first full campaign in Penetanguishene in two years. The campaign will consist of a three day blitz planned for Feb. 14, 15, and 16."

"Volunteers canva-

ssers are urgently required and a large number will result in our succeeding in our plan to have canvassers cover only a small number of homes."

"Anyone willing to volunteer may call Betty Valentine during office hours at 549-7453 or me at 549-8237 in the evenings."

"Through the kindness of the Town of Penetanguishene, we have secured the town office as a drop off centre for these evenings."

"In addition, a letter will be sent to all commercial establishments seeking their support."

"Under education, we are having a half hour T.V. show on Cable 12 with a demonstration of CPR, which will be repeated during the month of February on Cable 12."

"We are also having an educational evening at the Council Chambers in Penetanguishene on Feb. 10 with Mrs. Nancy Brophy demonstrating CPR and Dr. Claude Charron, who will be there to answer questions that the public

may have concerning heart and stroke disease."

A film entitled "Living A Full Life" was then shown to the Rotary Club yesterday. This film showed the risk factors which lead to heart disease, and how to avoid these risk factors by (a) careful

sensible diet, (b) getting into some physical activity, (c) avoiding smoking, (d) avoiding stress.

The film was then followed by a question and answer period. As well, two Rotarians agreed to help in the canvass of their areas."

## Pay TV

Maclean Hunter Cable TV - Midland Penetang area will not be providing Pay TV signals on Feb. 1, 1983.

"The cable system does not have sufficient channel capacity to be able to offer the 4 Pay TV services to all of our customers at one time," on official press release stressed this week.

"At the present time we expect to be able to provide Pay TV and other services to the Midland and Penetanguishene residents by the end of 1984 or early 1985."

"Pay TV is generally being provided by cable companies in major cities across Canada."

"Reaction to Pay TV promotion has resulted in a higher sales volume than originally anticipated. Suppliers of specialized decoding equipment in some instances have been unable to keep up with the demand. Not all cable systems will be able to provide the Par TV service on Feb. 1, 1983 (even though Channel capacity exists) because of Pay TV receiving equipment shortages. - Demand is greater than the supply."

"The popularity of Pay TV in larger cities could result in an earlier introduction of Pay TV to this area."

We're glad you asked!

Jim Lynn  
Funeral Director

### SHOULD I BRING MY CHILD TO THE FUNERAL?

Just as with adults, children need to express their feelings of grief. To deny your child this emotional outlet is to handicap his natural, maturing development. Children can cope with death better than you may expect.

A child's emotional resiliency is truly remarkable and often under-rated. With adequate preparation, a child may attend the funeral and will be all the better for it. But the child must be told what to expect at the funeral. If he or she understands what is happening, there's a better feeling during and after the ceremonies.

Do not force the child to attend, though. If the youngster often tends to be highly emotional, keep him home and have him join the family later. Each child may react differently, but if you anticipate any problems, feel free to discuss this with us fully at your convenience.

Your questions and comments on this and other subjects are welcome...in private or publicly through this column.

## Four crashes probed No charges, no injuries

There were no charges nor injuries following four separate motor-vehicle accidents probed earlier this week by members of the Midland detachment of the Ontario Provincial Police.

A single-car crash at 6:35 a.m. Monday, just north of the Wye River on Highway, 93, resulted in \$1,000 damage to a station wagon being driven by 37-year-old Mike Lancaster, R. R. 1, Penetanguishene.

A total of \$280 damage was also inflicted on eight guide posts after the vehicle involved in the mishap while travelling south skidded, crossing the highway and slamming into the posts on the north shoulder.

A small foreign car driven by 20-year-old Helene Maurice of Tiny Township is said to have received

\$1,000 damage, Sunday afternoon after it skidded on Con. 13, seven kilometres east of County Road 6 and rolled over in a ditch.

That morning a car driven by Tracy Shaw, 19, of Dominion Avenue in Midland, sustained \$1,500 damage after it skidded off the road slamming into a hydro pole on County Road 6, 1.2 km north of Con. 11, Tiny.

And last Thursday, a two-car collision was probed by OPP on Muskoka Road No. 5, 1.9 km north of Marcey's Bay Road.

A car driven by Robert Scott, 60, of Port Severn is said to have sustained \$2,500 damage while one driven by Alfred King, 63, also of Port Severn received \$500 damage.

## GB Gourmets newest book offers summer recipes

by MURRAY MOORE

All those cooks who don't know what to serve in the months of the year not covered by the locally produced, bestselling cookbook, Georgian Bay Gourmet Winter Entertaining, can take heart. Georgian Bay Gourmet Summer Entertaining will be available late next month.

The new cookbook, authored by Helen DeCarli, Anne Connell, Mary Hunt, and Jean Leavens, will have a first printing of 15,000 copies, 5,000 of which have been pre-sold. The new cookbook is in the same spiral coil-bound format as the Gourmets' first cookbook.

Samples of recipes from the new cookbook, and copies of the new cookbook, will be available on March 5 at the cookbook's grand launching, to be held in the Budd Watson Gallery. Copies of the cookbook will be

generally available at the end of February.

Georgian Bay Gourmet Winter Entertaining sold more than 20,000 copies, co-author Anne Connell says. The gourmet authors are their own publishers. Five thousand copies of the new cookbook will be distributed by General Publishing.

Each of the four authors of the new cookbook will travel across Canada in the spring on publicity tours. Connell expects to go to Thunder Bay on a publicity tour with well-known Canadian fiction writer W. O. Mitchell.

Connell says that the two books together cover the four seasons of the year. However the group "isn't finished yet," she says. They have a few ideas for more cookbooks which they are developing.
