## New administrator introduced to board

Board of Directors of Huronia District Hospital was formally introduced to the incoming Administrator, Gord Key, at Monday's regular board meeting.

Key is at the hospital for a week to get some first-hand experience at HDH with interim administrator Jack Bateman.

In a short address to the board, Key explained that he was happy to be returning to the province of Ontario, coming from Red Deer, Alberta.

Key also stated that he was eager to work with

Bateman, because he "was acquainted with him in Hamilton, Ontario" where they both worked, and that he admired Bateman's work as an administrator.

Meanwhile the board, accepted with regret the resignation of Lt. Ray Braddock.

He was the local ministerial association's representative on the board.

Lt. Braddock told The Times earlier this week, his resignation had been prompted by a busy schedule.
