

388 pints of blood collected at clinic They gave 'the gift of life'

Huron Branch of the Red Cross was more than happy to announce yesterday, results of a Red Cross Blood Donors' Clinic staged at the Yonge Street Civic Centre in Midland on Wednesday.

According to Red Cross officials, a total of 440 donors attended the clinic donating a total of 388 pints of blood.

Originally the local society had set a target of 350 pints of blood, however that goal was re-set at the last minute to 400 pints based on past performances in both Midland and Penetanguishene, reports Mary Gibson.

"First-time donors were up this time, which helped us," Mrs. Gibson revealed yesterday.

Next clinic in North Simcoe is set for June 15. Included here is a list of donors who willingly rolled up their sleeves on Wednesday to give "the gift of life."
