It's that time already!

As this picture, taken last Sunday at Midland's Centennial Ballpark, clearly shows, it's almost time for baseball season. Ted Watson, coach of the Midland Garner's Sports bantam softball team is recruiting players for his team. To be eligible for bantam play, you must have been born in 1967 or later. If interested call Ted at 526-5526. He coaches a fine team, having won the league championship last year.

from Lindsay, Muskoka, Orillia, and the Keegos took part. Some Keegos turned in outstanding performances.

In the Boys' 10 and under category, Jason Pursell and Spencer Battrick had two first-place finishes, while Sean Laurin came in first once.

Toben Jerry had a third-place finish in the Boys' 11 and 12 age group, while Peter Laurin, Steve Maurice, and Joel Magnan also showed well. Danny Whittam and Bryan Shouldice both placed in three events.

In the Boys' 15 and over group, Chris Leavens finished first three times and had a third also. Tim Bourrie had four second-place

finishes.

Melissa Cave improved her previous best times in 80 per cent of her events in the Girls' 10 and under class.

For the 11 and 12 year-old girls, Genevieve Brusselers Mari Shouldice, and Becky Whittam all swam well.

In the Girls' 13 and 14 group, Anne Leavens and Lise Magnan each had a first, two seconds, and a third to their credit. Heather Cairns improved her best time in four of her five events.

Polly Anne Hayward had an outstanding day in the Girls' 15 and over group, winning four races and finishing second once.

Elaine Baumgardner came third in the 100 breast stroke in the same age group.

All the above results were recorded in the Developmental portion of the meet. There were also some excellent results in the Novice section.

Jennifer Dreissan and Muriel Henry finished in the money in the Girls' 10 and under group, while Jennifer Markle improved 100 per cent of her times in the group.

In the Girls' 11 and 12 age bracket, Sara Tumber and Vera Armstrong finished in the top three in some of their events, while Kelly Naylor and Shari Jeffery showed very strongly as well.

Andreas Berkovski showed a 100 per cent improvement in the Boys' 10 and under section. Kyle Jerry had a pair of wins in this section while improving all five of his times. Brent Landry also showed a 100 per cent improvement.

Finally, in the Boys' 11 and 12 age group, Chris Charron came in ahead of the pack in three races, and finished third in another one.

Midland Y Keegos have been working hard since September. The developmental swimmers practice seven times a week, logging between 2500 and 3500 metres per session.

Next swim meet for the club is in Port Elgin on April 10, with the provincial championships coming up in Ottawa on April 22-24. This is the highlight of the season, and the reason for the long hours of practice.

ROM visit

Midland Secondary School offers special enrichment classes to students who have done exceptionally well in their academic studies.

The Grade 9 enrichment class in history and the Grade 10 enrichment class in geography recently visited Toronto to see a program at the McLaughlin Planetarium and to tour the Royal Ontario Museum.

At the Planetarium the two classes and their teachers, Mr. Pat Gruber and Mr. Mike Miller, saw a program about the sky as understood throughout the ages and as we see it from Earth during the seasons of the year.

This interesting program showed how the ancient Greeks developed the signs of the Zodiac. It also used time-lapse cameras to reveal and make intelligible the star patterns as seen from South to North in Canada through the seasons.

At the Royal Ontario Museum, the students were treated to a tour of the newly re-opened galleries. They also viewed the special exhibition of the paintings of Canadian wildlife artist Robert Bateman.

Cost of the trip was paid in part by the profits made by students who participated in the citrus fruit sale last autumn.

Silver medallist!

Patrick Lalonde of the Midland Figure Skating Club was the only member of his club to win a medal at the Central Ontario Inter-club Figure Skating Championships held at Base Borden on Saturday, March 5. Patrick snagged a silver medal in the Pre-juvenile men's competition. There were nine other competitors in his category. Look out Norbert Schramm, here comes another Huronia skating star!
