

Lands with a thud!

A brief gale late Saturday night sent this shed flying into a ditch just north of the OPP detachment office on Highway 93. The strong easterly

winds were also blamed for knocking down branches in several parts of North Simcoe.

Memories made of this...

The Gravelle family of Lafontaine Road, Penetanguishene, will long remember Easter Weekend—1983. Saturday evening part of a huge 150-foot evergreen came crashing down on their property thanks to a gale-force easterly wind. The Gravelle homestead suffered some damage as a

result of the incident. That's "Pop" Gravelle with his children David and Janet the day after the storm.
