'Mickey' served us well

Midland residents were shocked to learn of the death, late Saturday afternoon at Huronia District Hospital, of long-time Midland firefighter "Mickey" McIntaggart.

Michael Martin John McIntaggart, affectionately known as "Mickey" first became associated with Midland

Fire Department some 15 years ago.

After serving the brigade as a volunteer for three years, he later joined the full-time department a dozen years ago.

The former captain and deputy fire chief's funeral was held this morning at St. Margaret's Roman

Catholic Church with full fire department honours.

Firefighters from across Simcoe County attended a firefighter's service in his honour earlier this week at Nicholls Funeral Home.

The Canadian flag at Midland town hall was lowered out of respect of McIntaggart's untimely death.

Last Friday PMCL Ltd. announced that it had purchased Frame's other ship, the Miss Midland.

The ticket office on the centre town dock will be shared by the boat owners.

The Miss Midland has a seating capacity of 215 passengers. The Lady Midland has a seating capacity for about 120 people.
