

S.R.F.L. executive

Simcoe Rural Fastball League elected its new Executive for the 1983 season last week. This area's top ball loop will operate with 12 teams, taking in a new Elmvale entry, as well as Caswell's and Duval's from the old Penetanguishene League. Play starts on May 16

with each team playing a 22-game schedule. Here is the new Executive: President Jim Dixon of Elmvale Mets (left), Secretary-Treasurer Bob Widdes of Vasey, and Vice-president Rob Wilson of Perkinsfield Bantus (right.)

Jr. baseball still alive

Someone is going to Midland this summer, try to keep junior and we wish him good baseball alive in luck.

Randy Lalonde, a player with last year's sorry entry in the South Simcoe Baseball League, is attempting to revitalize the junior program here in town.

He's now looking for other people interested in playing or helping with the squad.

Lalonde related that he has about 20-25 players initially interested in playing with the team, but is going to actually meet with the group before taking to the field.

If you are one of those interested in being a part of the Midland Junior baseball team, contact Randy Lalonde at 526-2454. He'll be glad to hear from you.

Wheelchair B-ball exhibition at MSS

Next Friday night at Midland Secondary School there will be an event not seen in these parts before. It's a sport called wheelchair basketball, and is played by the heartiest of athletes.

This exhibition game is being played between Tiny-Tay Free Wheelers and the Simcoe County Chariots, and it starts at 7:30 p.m. April 29th.

These so-called

handicapped people will open your eyes with their prowess and determination.

The game is being sponsored by Tiny-Tay Huronia Handicapped Association.

Here is a verbal salute to the game and the players from Peggy Watson of Midland.

If you have two arms, two legs, two feet.

God made you really neat.

Some of our friends, are in a wheel-chair.

You won't hear them ask, God, What's Fair? A cheery smile from them, you'll see.

They can use a lot of help, from you and me. Come to the Wheel-Chair basket ball.

I hear it isn't timid at all.

Drop in, bring a friend, it's a date to remember.

You'll come away, with a heart that is tender.

Fore! Taxes could go HIGHER?!

Midland Golf and Country Club "duffers" could be in for a surprise if and when the province gives Midland the go-ahead to annex 2,600 acres from Tiny along the so-called Highway 93 corridor, south of Penetanguishene and just west of Midland.

Last year the golf club paid \$4,857.18 in taxes to the township which Tiny predicts could be much higher if Midland annexes the 2,600 acres including the golf club.
