

Junior Achievement recognizes achievements for 1982-83

Roger Flint, the master of ceremonies at the annual Midland/Penetanguishene Junior Achievement Banquet held last Friday evening in the Highland Restaurant, reporting on the banquet, said that guest speaker Jim Poulos, the director of program for JA of Canada, "stressed the qualities which make a good leader—intelligence, integrity, idealism, industry, ingenuity and invincibility. But it isn't until the I's become a 'we' that good leadership results. Our achievers showed their teamwork well through their attendance, profitability and annual reports."

"Ron Sauve", Flint said, "was recognized for his continuous good service as an advisor. He began in 1974-75 when JA first started in Midland and has continued to make that regular commitment to see that our youth receive a good business experience. All advisors were recognized for their regular commitment to the JA program."

The advisors were Ron Sauve, Theresa Asselin, Margaret Davidson, all of Kindred Industries Ltd; Rolf Schmidt and Franz Roth, both of Leitz; Peter Reichel of Decor; Alvar Randa of Bay Mills; Rudy Jambrich of Decor; and John Spencer of Bay Mills.

"As well, the counselling firms were recognized for their use of facilities, advisors, and financial donations. They are Kindred Industries, Decor Metal Products, and Ernst Leitz Company (Canada) Ltd."

"The main purpose of the evening was to recognize the accomplishments of our achievers in attendance, sales and reporting."

The following JAs made sales of their product of \$50: Brian

Flint, Bill Scott, Steve Charlebois, Belynda Cleland, Bryon Doan, and Mary Lou Saward. Of \$100: Doug Simpson, Susan Scott, Laura Saward, Khalida Ali, Brenda Steffler, Sandy Geere, Ute Schmidt, Della Sajan. Of \$200: Andre Moreau. Of \$300: Charlene Davidson.

Eighteen of the 28 JAs who finished the year received a perfect attendance award.

Charlene Davidson was the executive of the year. Intellect Industries; counselled by Decor Metal Products, earned the shareholder report award.

Fame Enterprises,

sponsored by KIL, was the company of the year.

Charlene Davidson and Laura Saward will be the local JA group's representatives at the Canadian Junior Achievement Conference to be held this August in Ottawa. Belynda Cleland and Della Sajan are alternates.

This year's group of Junior Achievers was divided into three companies: Fame Enterprises, Jantepriprises, and Intellect Industries. Intellect Industries, the winning company, made magazine racks, operating from last

October through last month, producing and selling 113 magazine racks. Each investor in the company received a 50 cent return on each \$2 share. The members of Intellect Industries were Khalida Ali, Carolyn Bissette, Sandy Geere, Andre Moreau, Laura Saward, Mary Lou Saward, Susan Scott and Brenda Steffler.
