A long happy voyage on the Sea of Matrimony is wished them. They will reside on the 5th Concession of Medonte.

Friends are pleased to learn Mrs. Austin Moran is progressing well and although ex-

periencing some difficulties, is able to get about on her own. A complete recovery is wished her in the very near future.

Dr. and Mrs. Wm Butt have been busy for some days planting trees on their Christmas tree property. It is quite a tedious operation, but they do not appear to mind.

The Catholic Women's League of Mount Saint Louis Catholic Church

held a successful Plant and Bake sale on Saturday, May 14.

Speaking of bake sales, there will be a Lawn and Bake Sale at Knox Presbyterian Church, Moonstone, on Saturday, June 4, 1983, commencing at 9 a.m. and winding up at 2 p.m. Light refreshments will be available. Anyone wishing to donate articles please contact Mr. and Mrs. Lorne Fowler

In the news

Volunteers always play an important role in the programs of a community hospital. Huronia District Hospital is no exception. Last year's co-ordinator of volunteer services filed the following report as part of the HDH annual Auxiliary report.

Barbara Simpson submitted the report at last month's annual Auxiliary dinner meeting.

The volunteer has long been a precious commodity to our hospital. Today our Auxiliary continues in the time-honoured and increasing important fund-raising role as well as providing services in many areas of the hospital.

Well oriented volunteers are: valuable, organized, logical, understanding, neighbourly, thoughtful, efficient, enthusiastic, reliable, satisfied.

The Auxiliary to Huronia District Hospital is fortunate in having volunteers in its organization who meet these qualifications.

Tay opens, accepts tenders

Tay Township council, at its regular meeting of May 12, accepted a number of tenders for supplying goods and services to the township.

The tender by Ken Truax Construction to supply 27,000 tons of two inch and 3/4 inch gravel at \$3.80 per ton for a total tender amount of \$102,600 was accepted.

McKean Quarries will supply the Township with R.C. 30 Oil Prime limestone screenings at a total tender amount of \$54,805, after council accepted their tender.

Tay council also accepted the tender of Alan G. Cook Limited to supply 2,800 tons of 3/4 inch crusher run limestone at \$3.15 per ton, for a total tender amount of \$8,820, in view of the fact that this is the lowest of the two tenders when distance and mileage is considered.

Council approved and accepted the tender by Pollard Brothers for supplying liquid calcium at \$195.05 per unit for a total tender amount of \$23,796.10.

Finally, the tender by Allied Chemical for supplying flake calcium at \$215.82 MT for a total tender amount of \$5,827.14 was accepted.

Next meeting of the Tay Township council will be at the Victoria Harbour council building on June 9 at 9:30 a.m.
