

St. T's sixth at GB track

St. Theresa's High School showed their heels to much of the field at the Georgian Bay track and field championships last Thursday at York University.

St. T's Crusaders sent 18 athletes to the meet, and ended up qualifying 12 of those for the OFSAA regionals tomorrow. In doing so, STHS placed sixth overall in the 44-school meet with 123 points. Thornlea topped all schools with 296 points, followed by Orillia District Collegiate with 227.

Maureen Jaeger, in junior girls' competition, paced Crusaders with a couple of excellent performances. She placed first in the 400 metres with a time of 61.6 seconds, and third in the 800 in 2:31. Both times represent personal bests for Jaeger, and STHS school records.

In senior girls' action, Kelly Swales was fifth in the 200 metres, fourth in

the discus, and third in the 100 metre hurdles.

The senior girls' relay team, made up of Swales, Jaeger, Paula Denis, and Helga Fritz, placed first in the 4 x 100 relay. Remember, all but Swales are just juniors.

On the male side, Rob Webber had a second place finish in the midget long jump with a 5.75 metre effort. This is a personal best and new Crusaders' record.

Owen Quilty in junior boys was outstanding once again. He was first in the Triple Jump with a school record-tying effort of 12.82 metres. He was also fourth in the 400 metres with a personal best and STHS record time of 53.1 seconds.

Other junior boys who enjoyed success were Marlon Geiseler with a third in the high jump, John Bald with a third in the long jump, and Doug Haworth, who was tied for fifth in the long jump. Bald's leap of 5.91 metres was his personal

best.

In senior boys' action, Kerry Heins carried the Crusaders' colours to a second place finish in the 1500 metres in 4:21.6 and a fourth in the 800 metres with a time of 2:07. Both times represent personal bests and new school records.

Also in senior, Don Cadieux was fourth in the 110 metre hurdles, and fourth in the triple jump.

In relay action, the junior 4 x 100 team of Bald, Geiseler, Owen Quilty, and Darryl Belcourt, placed fourth, and the open 4 x 400 team, made up of Geiseler, Heins, Owen and Peter Quilty, also placed fourth.

Tomorrow, the 12 qualifying athletes travel to Etobicoke's Centennial Stadium for the OFSAA regionals. From there, the top five finishers in each event go on to the provincial finals in Kitchener on June 3 and 4.

Steve Weeks of New York Rangers was guest speaker at last Thursday's MMHA awards banquet. He also gave out awards to Dennis Maheu, left, and Mark Witt right.

Redskins runners might be best ever

ESPSS Redskins track and field team established itself as one of the best in that school's history last Thursday, as they qualified 10 athletes for the OFSSA regional track and field meet.

At the Georgian Bay track and field championships at York University in Toronto last Thursday, in wet sloppy conditions, Redskins qualified seven girls and three boys for tomorrow's regional meet at Centennial Stadium in Etobicoke.

In midget girls' action, Beaty Spencer was second in the 80 metre hurdles, and Ruby Djanaar was third in the javelin.

In junior girls', Lisa Vivian was third in discus, and Melissa Meisinger was fourth in the 800 metres.

Suzanne Desroches had a personal best time of 11:24 in the 3,000 metres as she finished fourth, and Carrie Fedorowich was second in the junior hurdles, as she suffered her first defeat in her high school track career.

Lori St. Amant threw the javelin over 30 metres in senior girls' competition.

In boys' action, Mike Pilon was fourth in the midget long jump with a leap of 5.40 metres.

Kevin Wagg was third in the junior pole vault, while Tim Spicer was first in the senior division of the same event.

Should any or all of these athletes end up in the top five in their events tomorrow, they will qualify for the provincial championships in Kitchener on June 3 and 4.

Several of the Midland Secondary School Marauders' track and field team members enjoyed a fine day at the GBSSA track and field meet at York University last Thursday.

MSS qualified eight

athletes in 10 events for Thursday's OFSAA regional track and field championships.

Craig Pender in senior boys' paced the Marauders with a win in the Javelin event, and a third in the high jump.

Tim Grenier won the junior boys' discus, and

placed second in shot put.

The following athletes also placed high in their event and qualified for the regionals.

Linda Ferraro placed third in the Javelin, Lori Chambers, third in the shot, Brad Price second in high jump, Dave

Larmand third in 3,000 metres, Ed Moriarty second in 110 metre hurdles, and Ed Richardson was fourth in triple jump.

All of these students will be in tomorrow's OFSSA regional meet at Etobicoke Centennial Stadium.

MSS sends eight to regionals

Huronian Calendar

May 25

Today until May 28, instruction for prospective members of the Midland Lawn Bowling Club, King Street (526-8929) at 1:30 p.m. and 7 p.m. You need flat soled shoes without heels.

Baseball camp registration June 15

Plans for the Pro-Way Baseball Camp in Barrie are progressing very well.

Gord Dymont of Midland, who will be one of the camp's instructors, reports that applications are going well, and notifies us that the deadline for receiving applications is

June 15th.

Although the camp will not run until the first two weeks of July, camp organizers need the registrations counted ahead of time, in order to order equipment, T-shirts, and other needed accessories to run the camp.

This camp runs for

two weeks, July 4-8 and July 11-15, and will be held at Lampman Park in Barrie. Cost of the camp is \$89 per week, and you can register for one or both of the weeks. It is limited to kids from eight to 16 years, and

runs Monday to Friday each week from 9 a.m. to 4 p.m. each day.

For more information and registration forms, contact Gord Dymont at 224 Russell St. in Midland or phone him at 526-7690.
