May 16—So far the month of May has been very unpredictable weather-wise, but nature takes its natural course and the trees and shrubs are in bud. The trilliums are in great abundance too. The gold finches have also returned and we saw a bluebird for the first time in many years. They are a beautiful sight to see.

We had about 85 attend today. Through the efforts of Erne Deviney we had a nice surprise before the meeting. Lisa Ritchie, whom I am sure a lot of you know, gave her talk on music. I can understand how she has so many honors and wish her luck in the future. We thank her.

Welcome back, to Alex Finlay! I took the money to the recreation dept. at Midhurst for the bridge games coming up. Six are going to Balm beach and four to Parkview, Barrie.

Winners are Euchre—Ladies Louise Wanless 60, Gents Guye Culver 64. Crib—table 1 with two players, Stan White won and table 2—Laura Rowat and Willy Cameron. Bridge was played progressively with seven players. Marietta Player and Gerry MacLean had high score.

Pai Kirton our treasurer gave a report. The club got \$360.25 from the Maple syrup festival committee. This was from the tickets we sold. Quote—The world is changing so fast these days, you couldn't stay wrong all the time even if you tried.

They never know their strength until they are in hot water.

A letter from the Simcoe County Museum informed us that their Spring Festival and band concert will be held on Sunday, May 29. Thank you letters were received from Miss Cindy Myslick and Mrs. Irene Allen. The branch agreed to cater to a wedding in 1984.

Mrs. Elva Smith read an informative article entitled, "Why our Kids can't Read or Write". Mrs. King's Candy contest was won by Mrs. Eileen Kenney and Mrs. Mary Loftus who was also the winner of the draw.

Great strides have been made, but the battle that remains to be fought will challenge the most resistant forms of this disease. Only research can arm the fight, and research dollars are donated dollars. Give generously to the Canadian Cancer Society when the canvasser calls at your door.
