A reminder that the 15th Annual Senior Citizens' Picnic will be held in Springwater Park, Midhurst on Wednesday, July 27 from 10 a.m. to 3:30 p.m.

Sponsored by the Simcoe County Recreation Department and the Simcoe County Senior Citizens' Advisory Committee, the picnic is the one big event where seniors in the County can get together to enjoy entertainment, play games or just get together with old friends amid the beauty of Springwater Park.

All Senior Citizens in the County of Simcoe are invited.

It appears someone was pulling Tay Township firefighters legs, Saturday evening, by calling in a false alarm while Tay No. 2 and Tay No. 1 brigades

were holding a barbecue at the Old Fort Road Fire Hall just east of Midland.

According to township Fire Chief Tom O'Hara, "Someone called to say there was a fire at 351 Old Fort Road. However, none of the homes on Old Fort Road are numbered. They all have mail boxes.

"The fellows drove up and down Old Fort Road to make certain there wasn't a fire while others tried to phone the original caller but without success."

in the school. The staff-sergeant went to the school on his day off, Soden said.

Lynn and Bob Cumberland have restored an old three-story Hillsdale home and begun a crafts and antiques business there this summer, called Cumberland's Country Crafts and Gifts.

The house, which they believe dates back to 1886, has been restored from top to bottom since they bought it in October. The sunny front room accommodates a selection of hand-made crafts and antiques.
