

Heart Fund over the top

At the close of its fiscal year, the Canadian Heart Fund, Ontario Division, has reached its \$8.45 million annual campaign objective.

The 1983 campaign, which was conducted during February in Ontario, exceeded its goal by \$28,611.

Door-to-door canvassing, special events, corporate solicitations, the sale of 'Roses for Research', and In Memoriam donations: all contributed to the total of \$8,478,611.

Requests and other sources of income, combined with campaign receipts, will allow the Ontario Heart Foundation to allocate \$11,200,000 to heart disease and stroke research in Ontario, for the 1983-84 granting period.

In presenting his report, Alex Broomfield, the 1983 Canadian Heart Fund Chairman said, "The residents in the province of Ontario can be proud of their substantial contributions to the crusade against heart disease and stroke. Evidence to date, that research has paid off, is in the fact that the overall death rate from heart and blood vessel diseases, for people under 65 years of age, is down 27 per cent since 1953.

In heart attack, the single leading cause of death in Canada, the decline has only been 11 per cent. He continued by saying that the residents of Ontario have endorsed the work of the Ontario Heart Foundation, through their continuous support

over the years, and that vital medical research in the area of heart disease and stroke will continue to receive the financial support of the

Foundation.

In conclusion, and on behalf of the Canadian Heart Fund, Ontario Division, Broomfield expressed "heartfelt"

thanks to the thousands of volunteer workers and canvassers in the province, for their tremendous support of the 1983 campaign.

For patients' comfort

Mrs. Yvonne Daniels, standing, made a generous donation to the Surgery and Obstetrics ward at Penetang General Hospital. She donated the three-position reclining chair in which Mrs. Clare Dion is seated. Daniels' husband was a patient at PGH prior to his death, and extolled the benefits of the chair that was in the ward already. Mrs. Daniels gave this chair, which also is on wheels, to the hospital, in memory of her husband.
