

Hurons Gym Club looking for help

The Hurons Gymnastics Club is looking for coaches and supervising help for the upcoming fall and winter sessions.

The Hurons run a variety of gymnastics programs, varying in degrees of skills and levels of competition.

Last year the club had approximately 20 coaches and helpers associated with it, but

through education commitments and relocations, several of these people will not be available for the new season. Replacements are badly needed to keep this successful gymnastics program running smoothly.

Here are some of the different programs being offered by the Hurons Gym Club in the

1983-84 season.

The newest program being offered is a recreational gymnastics session for high school students. It will be run on Thursday nights, from 6:30 p.m. to 8:30 p.m. at Corpus Christi Public School in Penetanguishene.

This would be a well attended, very useful session, but the club needs one or more

adults to supervise it at the school. Without volunteers this course may not get off the ground.

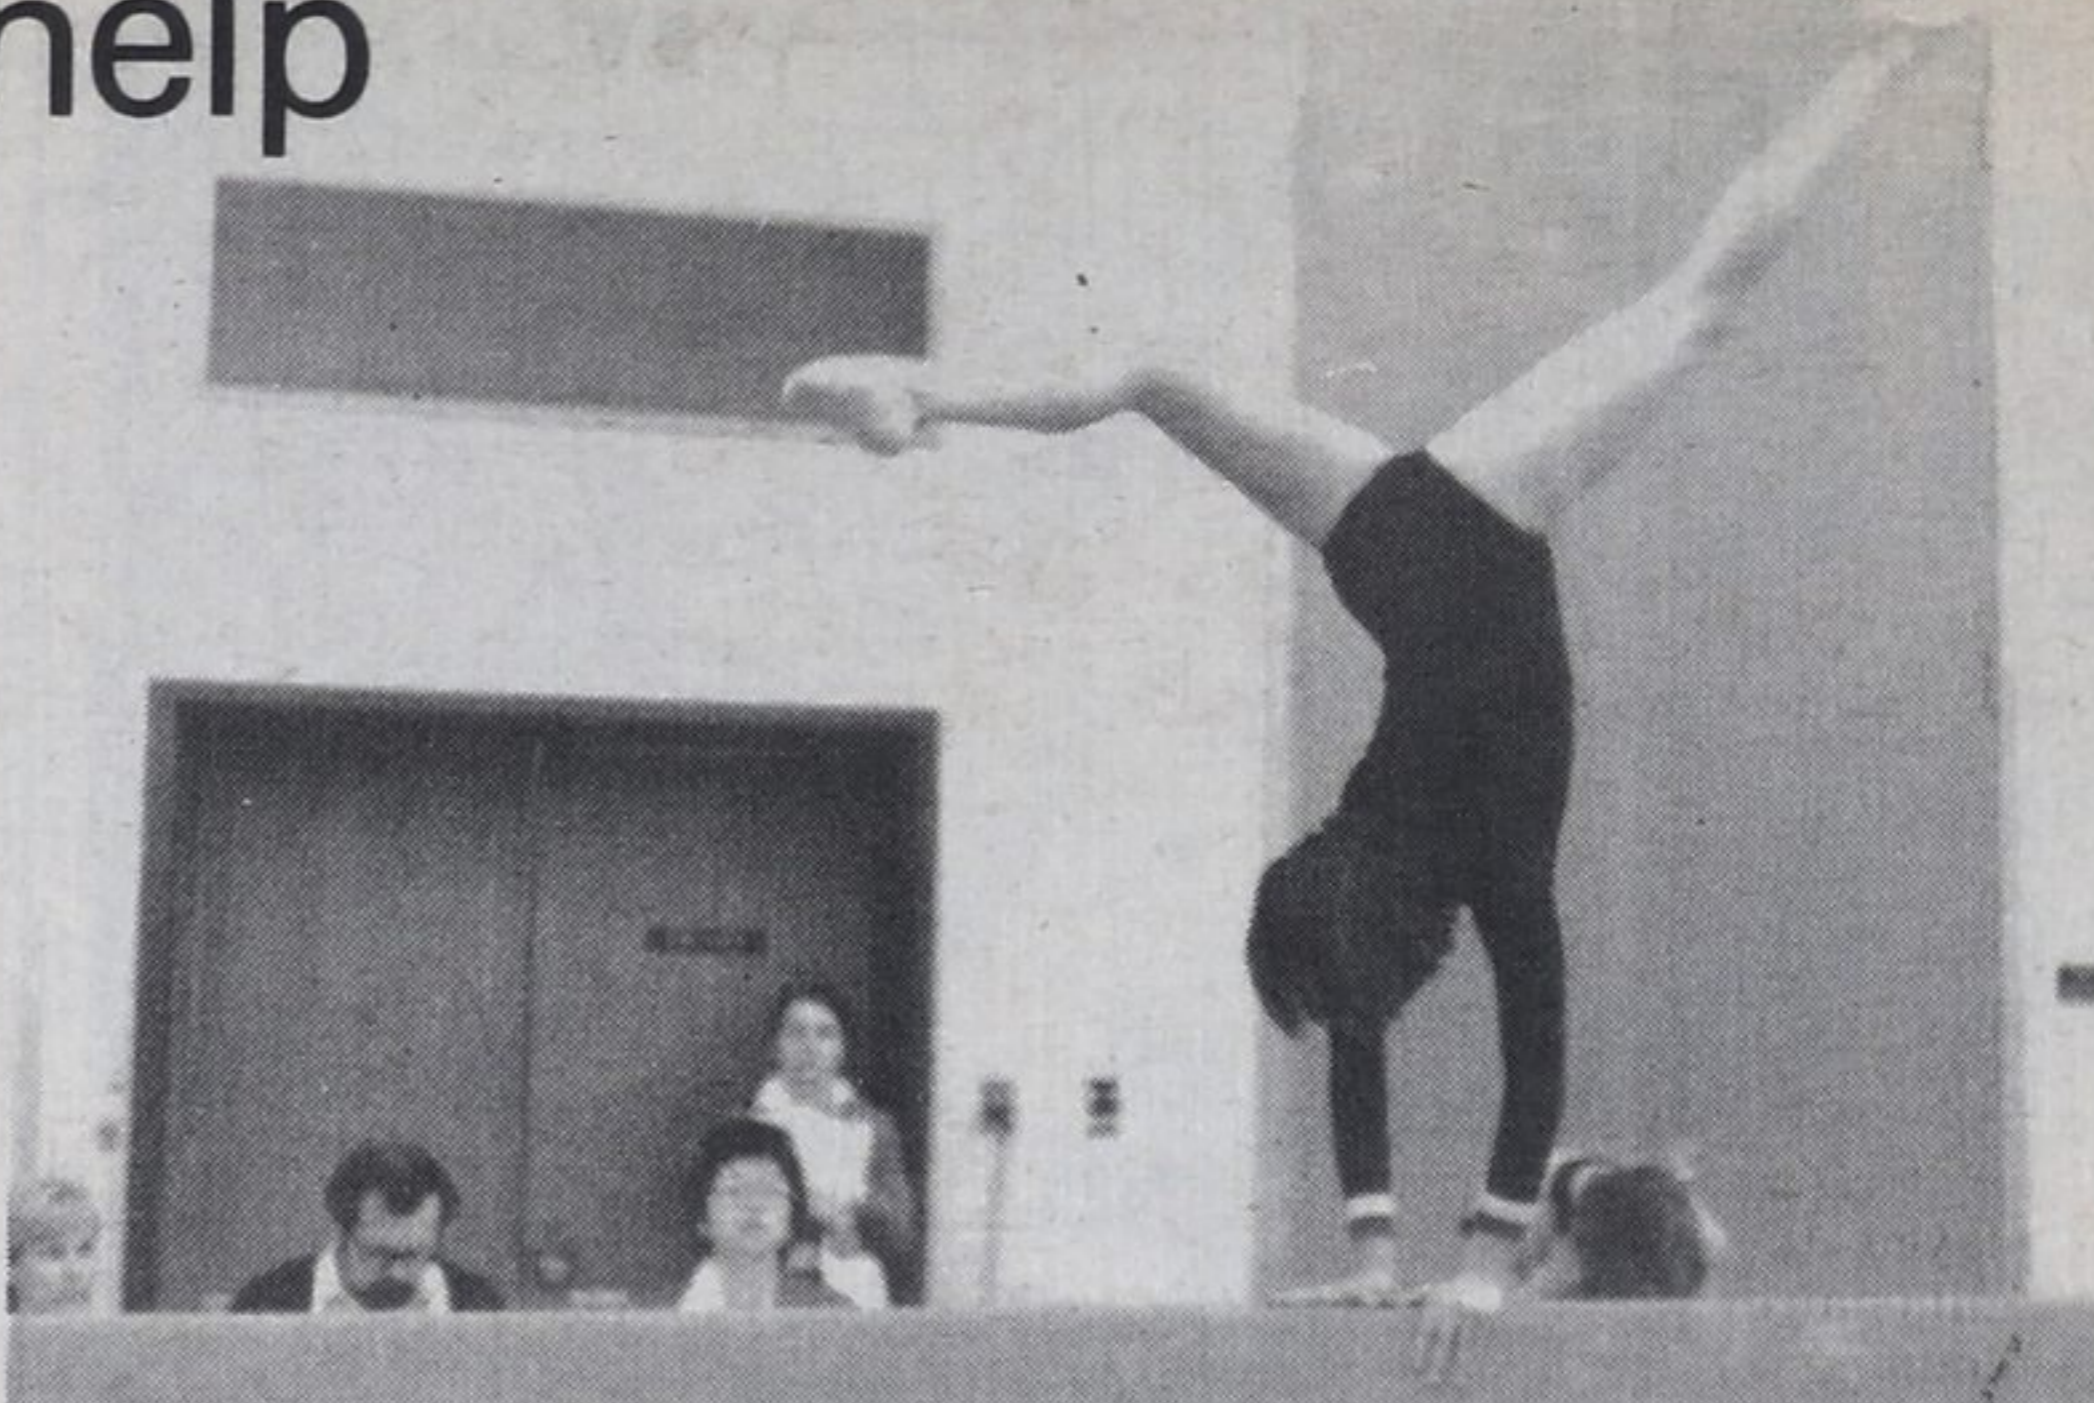

Other programs offered by the Hurons in the recreational side of gymnastics are the kindergym classes, run on Mondays at Parkview Public School in Midland. Kindergym is for children aged five and six.

There is a developmental gymnastics class also. It runs at Parkview on Wednesdays for kids aged six to 11. On top of these, there is advanced recreational gymnastics for those children with somewhat better ability. It runs at Parkview on Tuesdays and Thursdays.

For the competitive gymnasts, there is the Hurons Gymnastics Team which is associated with the Metro West region of the Ontario Gymnastics Federation.

This team has a pre-competition group for budding young gymnasts who are not quite ready for official competitions. Tests must be passed to enter the team, and it is open to children of any age, depending on ability alone.

And, of course, there is the competition team, which competes at

Huron in action.

various meets throughout the season.

If you are interested in getting involved as a coach or supervisor with the Hurons Gymnastics Club, get in touch with Ken St. Amant at 526-3992 prior to the school year, and at Bayview School in Midland after September 6. Phone number there is 526-4208.

If you feel like getting involved and don't think you're qualified, don't despair. Ken and the Hurons will provide any training necessary, and will even take care of any registration and insurance fees that may arise in the year.

All you have to give is your time and energy!

Monica Hinrikus (L) and Beatty Spencer (R) of the Hurons

Paula Denis going to Ont. Summer Games - on Region 5 volleyball team

by RON JOHNSON

Paula Denis, a 16-year-old, grade 11 student from St. Theresa's High School in Midland, has been chosen for one of the regional volleyball teams that will be competing at the Ontario Summer Games over the Labour Day Weekend in Sudbury, Ontario.

After hearing about the tryouts for the team from STHS teammate Maureen Jaeger, Denis and two other local girls, Lisa Quesnelle of STHS and Renaty Friedrich of MSS, ventured to Toronto to attempt to make the squad.

Paula Denis survived

a very competitive selection camp to make the Region Five team that is going to Sudbury.

Next step is to go to the final training camp at Madawaska, Ontario.

This camp is final preparations for the games, and begins this Sunday, Aug. 28 and runs to next Thursday.

The Ontario Summer Games run from September 2 to September 5 in Sudbury.

About her selection to the Region 5 team, Paula Denis had this to say.

"The tryouts were very tough, with several girls from the Cardinal Newman High School team which won the OFSAA volleyball title last year, as well as

some from Malvern Collegiate who were also a top high school team last year."

"I feel really proud and just a bit surprised to be on the team" explained Denis.

This experience at the provincial level of competition should hold this young Crusader in good stead over the upcoming high school volleyball season.

Paula Denis will make the St. Theresa's High School Crusaders senior team even tougher than it usually is, and that spells trouble for other local teams.

Keego trio off to Sudbury

Three Midland Y Keego swimmers will be leaving on Sunday Aug. 28 for Sudbury to participate in the Ontario Summer Games.

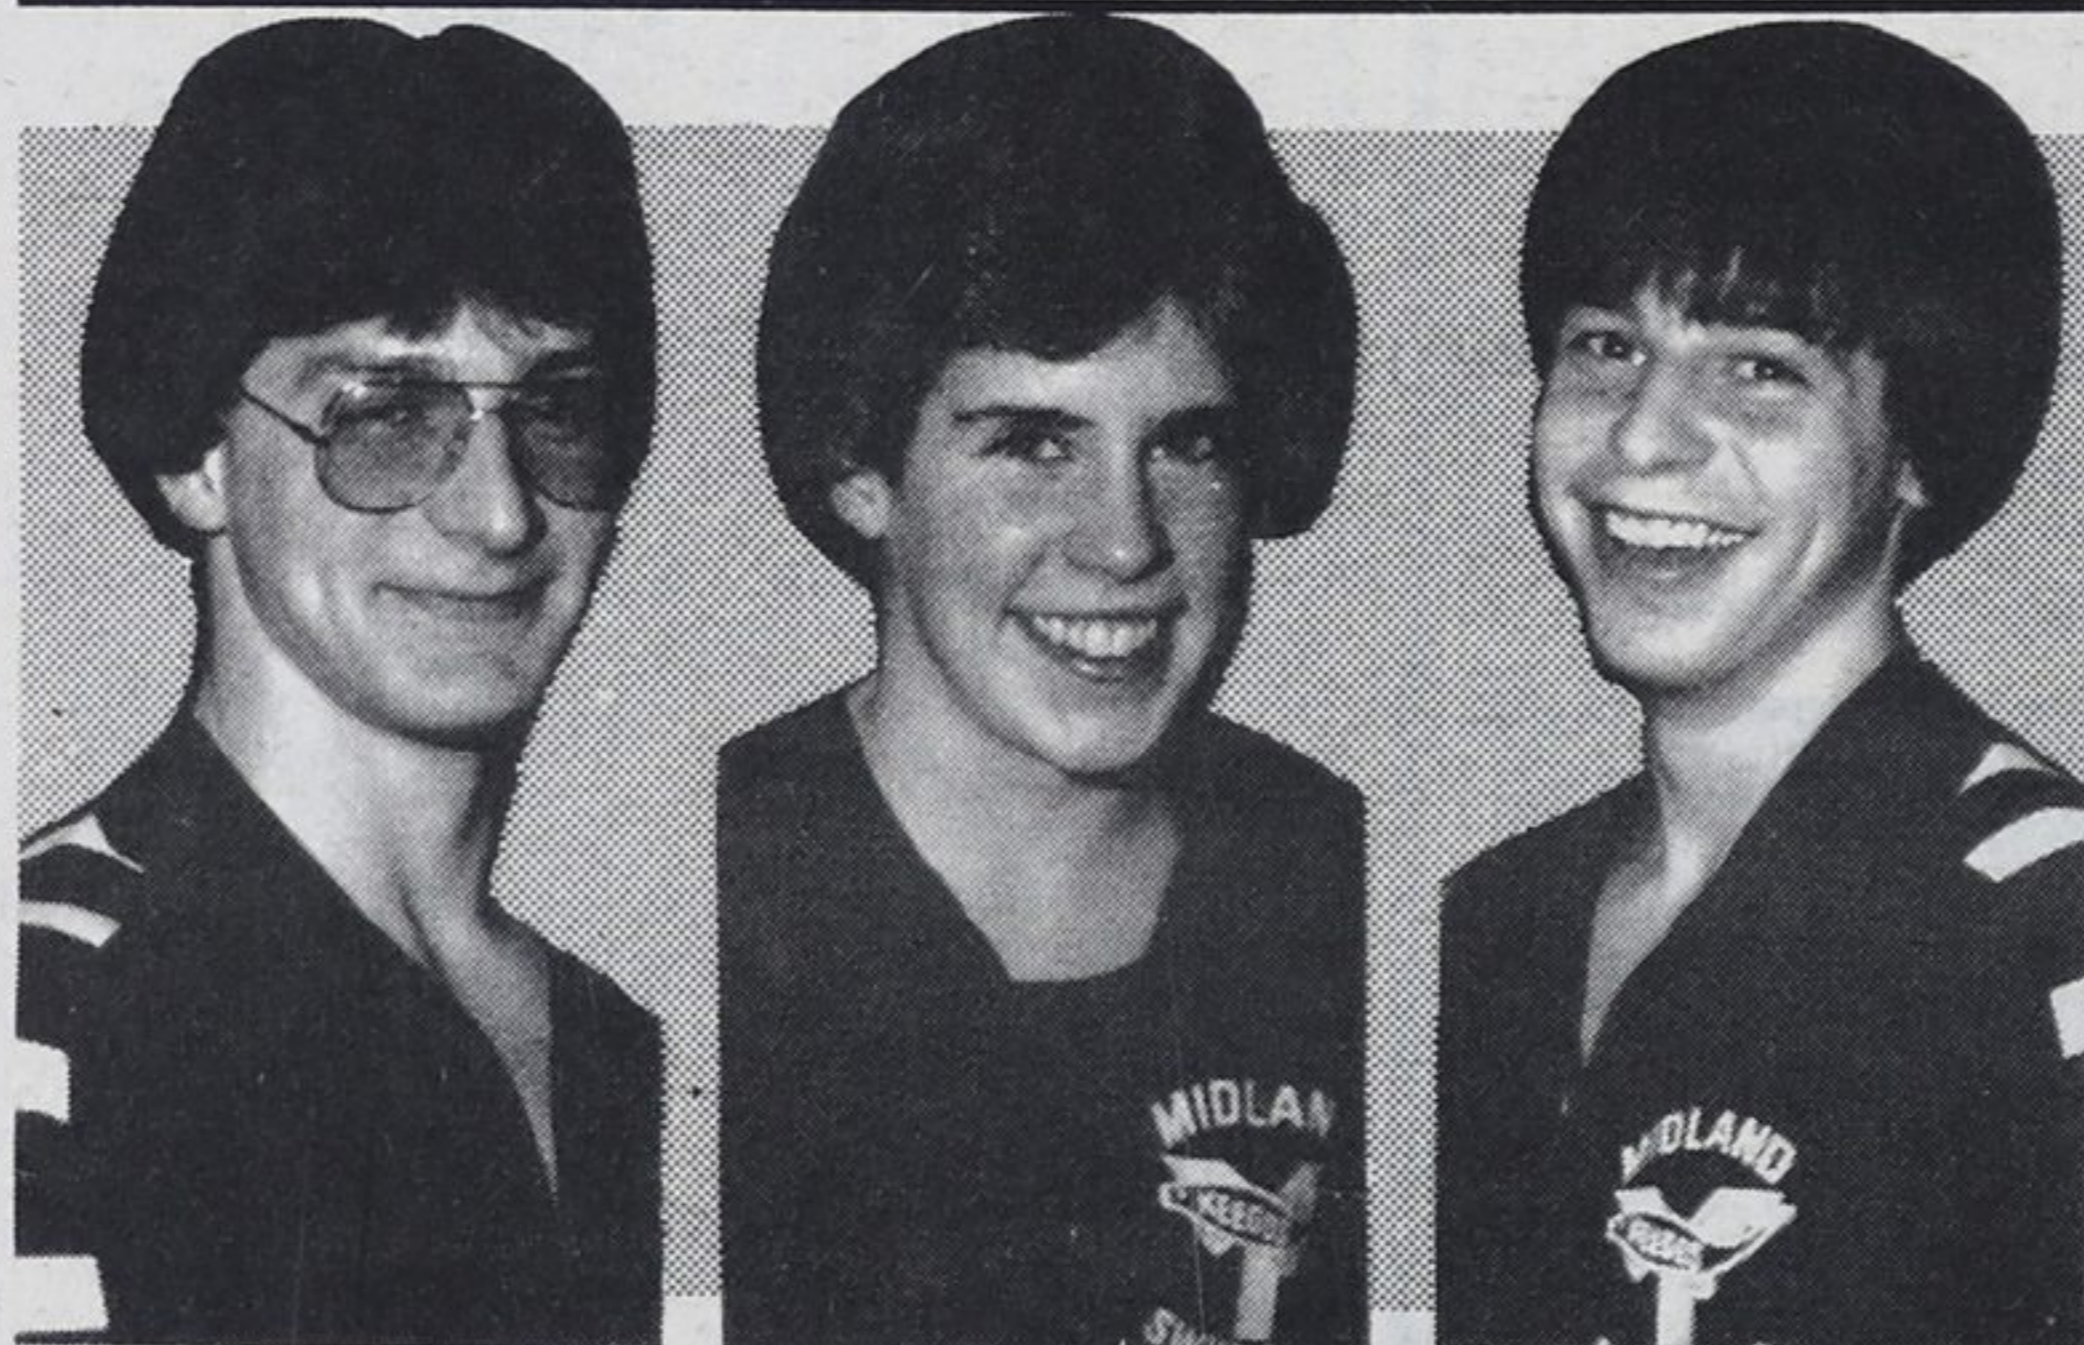

Andre Bourrie, Tim Bourrie and Lise Magnan were chosen as members of the Huronia Team based on their performances at the Huronia Regional Championships.

They will attend a one-week training camp at Laurentian University where they will be billeted.

Opening ceremonies for the games will be on Fri. Sept. 2 at the Sudbury Arena with the swimming competition taking place at Laurentian's Olympic size pool on Sept. 3 and 4.

Numerous activities have been planned for the week and as members of the team Lise, Tim and Andre will be receiving a free Speedo swim suit, T-shirts and track suit.

Congratulations to these three Keego stars!

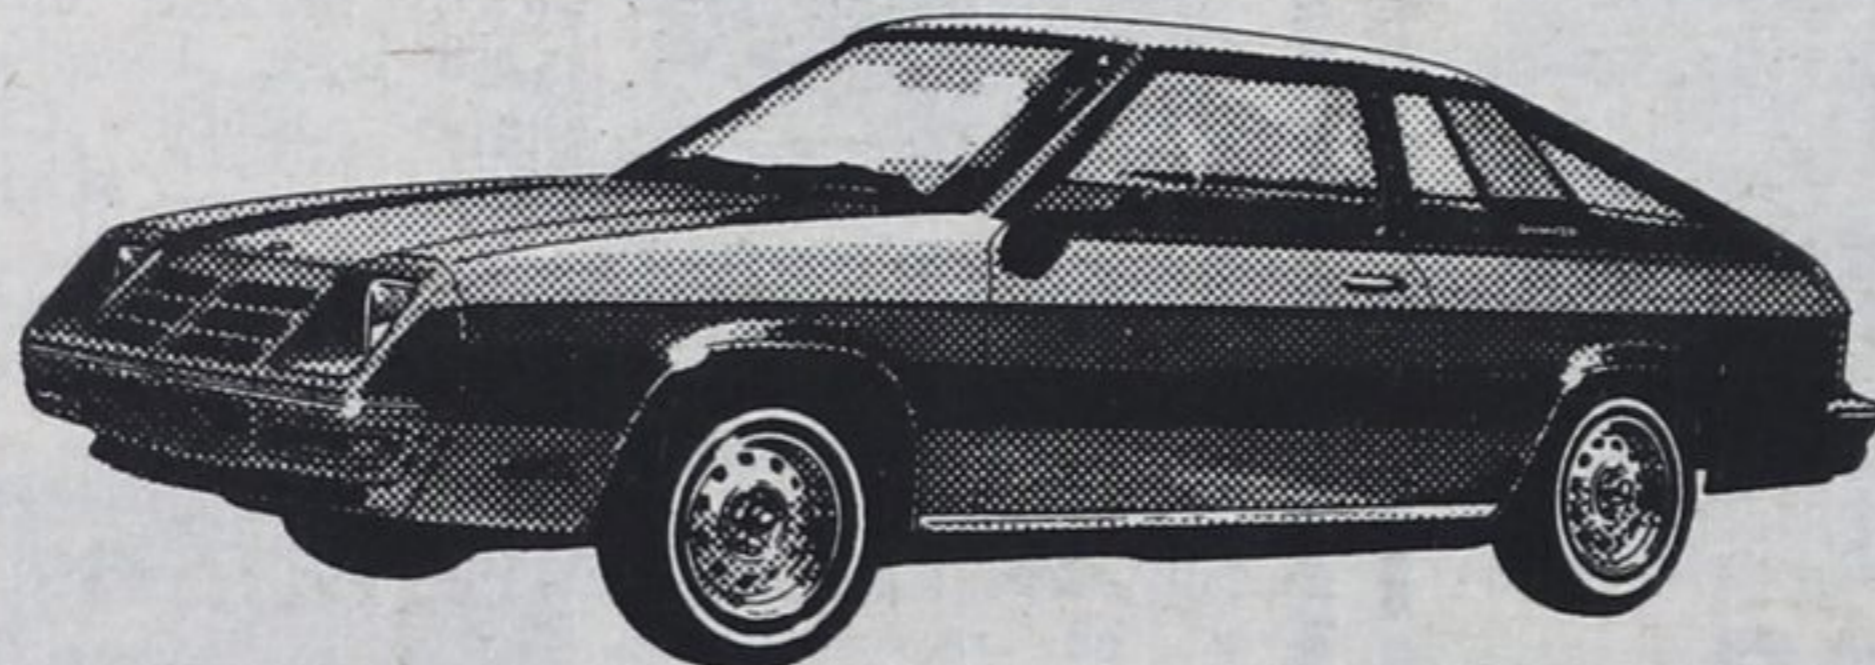

Andre Bourrie Lise Magnan Tim Bourrie
