# ANNIE is coming to MSS Feb. 1-4 next year

by Jim Kulczycki

The smash Broadway hit, 'ANNIE' will be the major musical-drama production at Midland Secondary School this year.

The show that ran in New York and Los Angeles for years and was recently made into a major motion picture will be done with equal vim, vigour and vitality at MSS, Feb. 1-4, 1984.

This large and lavish production, which will involve a cast and crew of over 50 students will be quite an undertaking for the directors, Ray Holt

and Phyl McCullough, what with many solo and large chorus numbers and dozens of technical details to be perfected.

So, do plan on an evening of delightful musical-drama entertainment with some very talented MSS actors, actresses and musicians, to be chosen during auditions next week at the school.

Kids from 1-101 will be sure to enjoy the show, which is suitable for the entire family.

Details will follow as the production dates draw near, such as ticket prices and outlets. See you there!
