Molson's Big Fish Contest

After twenty-five years, the "Molson" Big Fish Contest is more popular than ever. With just three months left in the 1983 contest, entries continue to pour in. The competition in the nine regular "catch and keep" categories is steady, but in the nine new "catch and release" groups, the field is wide open.

Contest hopefuls should give serious consideration to entering a "live release" fish because the prizes are identical to the "keep" class, with only a handful of entrants to date. The "live release" category offers anglers the opportunity to practice a different conservation technique and join in the fun, a combination which the Ontario Federation of Anglers and Hunters promotes.

The top fifteen entrants in each of the

Bike-a-thon

The Be-wab-bon Youth is holding a bike-a-thon on Saturday to raise money for a Christmas event. Registration for the 10 mile event is at Chidamo Park on Port McNicoll's Third Avenue at 9:30 a.m.

Pledge sheets are available in the village Super Save. The person with the most sponsors will win a \$20 prize, an organizer says. For more information, telephone Patricia (534-3622).

eighteen categories win a Mitchell rod and reel, and to date it looks like every contestant in the nine "live release" categories may be a winner! The top entry in each category also wins an Evinrude electric trolling motor, and \$150 in cash from Molson's. Second and third place entries win \$100 and \$50 respectively, plus the rod and reel.

Each entry that reaches the minimum length or weight requirements will receive a personalized twenty-fifth anniversary Michael Dumas print.

All you need to do to enter a "live release" fish is to include a ruler and a camera in your gear, and take a picture

of your catch beside the ruler before you return it to the water. The live released entries win by length and girth alone, so don't worry about the weight.

There's still time to catch your winner for any category before the contest closes November 30, 1983. Entries must be received within thirty days of the day the fish was caught and all entries must be in by December 8, 1983. Entry forms are available at most tackle shops, lodges and taxidermists, or direct from the Ontario Federation of Anglers and Hunters, P.O. Box 28, Peterborough, K9J 6Y5.

Good luck and good fishing!

MSS junior girls win first b-ball tourney

Midland Secondary School junior girls basketball team travelled to Flesherton last weekend for their first tournament of the 1983 roundball season.

They beat Stayner 26-14 in the opening game, and followed that win with a 42-23 triumph over J. F. Ross of Guelph.

MSS junior Marauders finished off the tourney in fine style by whipping Grey-Bruce 31-15 to take the championship.

Coach John Brown was happy with the play of all his team members, but singled out Jodi Dolan, Janice Richardson, Kate Edwards, Kathy Gosselin, and Karen Voegelé as especially effective throughout the trio of games.

HVC Invitation V-ball tomorrow

Midland Huronia Volleyball Club is holding its annual Invitational Tournament this Saturday at St. Theresa's High School and at Midland Secondary School.

For high school boys' teams, the HVC will host 24 teams from Barrie, Orillia, Collingwood, Aurora, and Alliston, as well as local teams.

Eight midget teams will play at St. Theresa's, and the eight junior and senior teams will play at MSS.

Action in the tourney will begin at both schools at 8:30 a.m. and conclude sometime around supper.

Spectators are welcome to take in this action at both locations.
