by DORIS REIN

St. Theresa's girls and boys cross country teams took part in the cross country meet at Wasaga Beach last Thursday, Sept. 22, and had some very good results to show for their trip.

Denise Laurin paced the midget girls to a third place team finish, as she raced to fourth place individually. Showing an improvement by Betty Cousineau, Juli Merkley, Heather Kearns, and Nancy White, the STHS girls lowered their team score to 73.

In the senior boys' competition, the Crusader senior volleyball team ran the

race as part of their training program, and finished second overall.

Kerry Heins led the way with a third place finish. Other St. T's team members were Marlon Gieseler, Kris (With a K) Cote, John Bald, and Owen Quilty. Crusaders' team score of 54 was just behind ODCVI with 35.

Other fine performances at the meet for STHS included the following; Pala Denis, 12th in open girls, Rob Charlebois, 13th and Michael Billard, 18th in midget boys, Kevin Belcourt 7th and Rob Fortin, 10th in junior boys, Kris Cote 18th and Darryl Belcourt, 10th in senior boys.

The Government of Ontario over the years has demonstrated a long-term commitment to agriculture. Con-

tinuing in this tradition, Dennis Timbrell, Minister of Agriculture and Food recently announced details of

Ontario's Beginning Farmer Assistance Program, which will make available for interest rebates \$135

million over the course of five years. The long-term strength of Ontario's agricultural industry

can only be maintained by a steady supply of beginning, eager farmers. With the difficult economic conditions of

the last few years, young farmers have faced significant obstacles of high capital requirements.
