

Senior team paces Crusader cross country

Last Thursday the St. Theresa's cross country team competed in Orillia at Bass Lake against teams from other area schools. The participation level was low due to two things; the STHS cross country race and the Zone 2 tennis tournament were held earlier in the week.

Because of the low participation level, only three full teams, midget girls and midget and senior boys, took part.

Midget girls did well. Denise Laurin and the team placed sixth. Betty Cousineau came 18th, and the team score for the race was 106 points.

Midget boys placed 12th overall, led by Mike Billard, with a 33rd place finish. Team score for the midget boys was 198.

In open girls competition, Maureen Jaeger in eighth, and Elizabeth Bourgeois in 23rd were the only Crusaders entered.

The senior boys did very well with the help of junior runners Kevin Belcourt and Keith Proulx. These two juniors ran the senior course so STHS would have a full team.

Darryl Belcourt was top Crusader in the race, finishing ninth. Right behind him in tenth was brother Kevin. The team placed third with a score of 58 points.
