

# W.I. urged to participate

Mrs. Keith Hephie, Provincial President of Ontario Women's Institutes, brought greetings at the one day convention held at Alliston Presbyterian Church recently. She stressed that during 1984 branches should take this opportunity to advance their Tweedsmuir History Books by doing something with community and family histories. She also said that it is hoped that \$50,000 will be raised by branches through Associated County Women of the World "Coins for Friendship" programme for the "Water and Sanitation for All" in the third world countries which ends in 1990. Donations can be sent to our office at Guelph. This is Mrs. Hephie's last visit to our area convention as her term of office expires this year.

Mrs. Joyce Canning, Rural Organizations and Services Branch Director, through a slide presentation gave us a tour of the Organizations offices and introduced us to the staff at Guelph

University. She reported on the successful 4H courses offered last year as well as those for W.I. members. Outlining the programmes available for ladies this year she said the "Rug Braiding" would get under way soon. There will be short courses on "Ontario Harvest of Fruits and Vegetable", "Ontario Red Meats" a food forum and "Wise Money Management". She suggested ways branches could recover

the costs of operating these courses.

This morning session was conducted by Area President Mrs. Murray Bowen; the afternoon session by Vice President Mrs. Walter Coutts. Second Vice President Mrs. Gordon Downing presided over the evening meeting. Mrs. Allan Orr and Mrs. Howard Campbell led the sing songs and Mrs. Orr sang during the evening. Reports were given by all area convenors and board

directors Mrs. Ronald Coutts and Mrs. James Beard. During the business period it was voted that the one day convention concept be carried on next year instead of the usual two days as it has been in the past.

Following the evening banquet Mrs. Ronald Coutts showed slides on the 17th Triennial Conference of A.C.W.W. held in Vancouver June 19-29, 1983. Those attending from this area

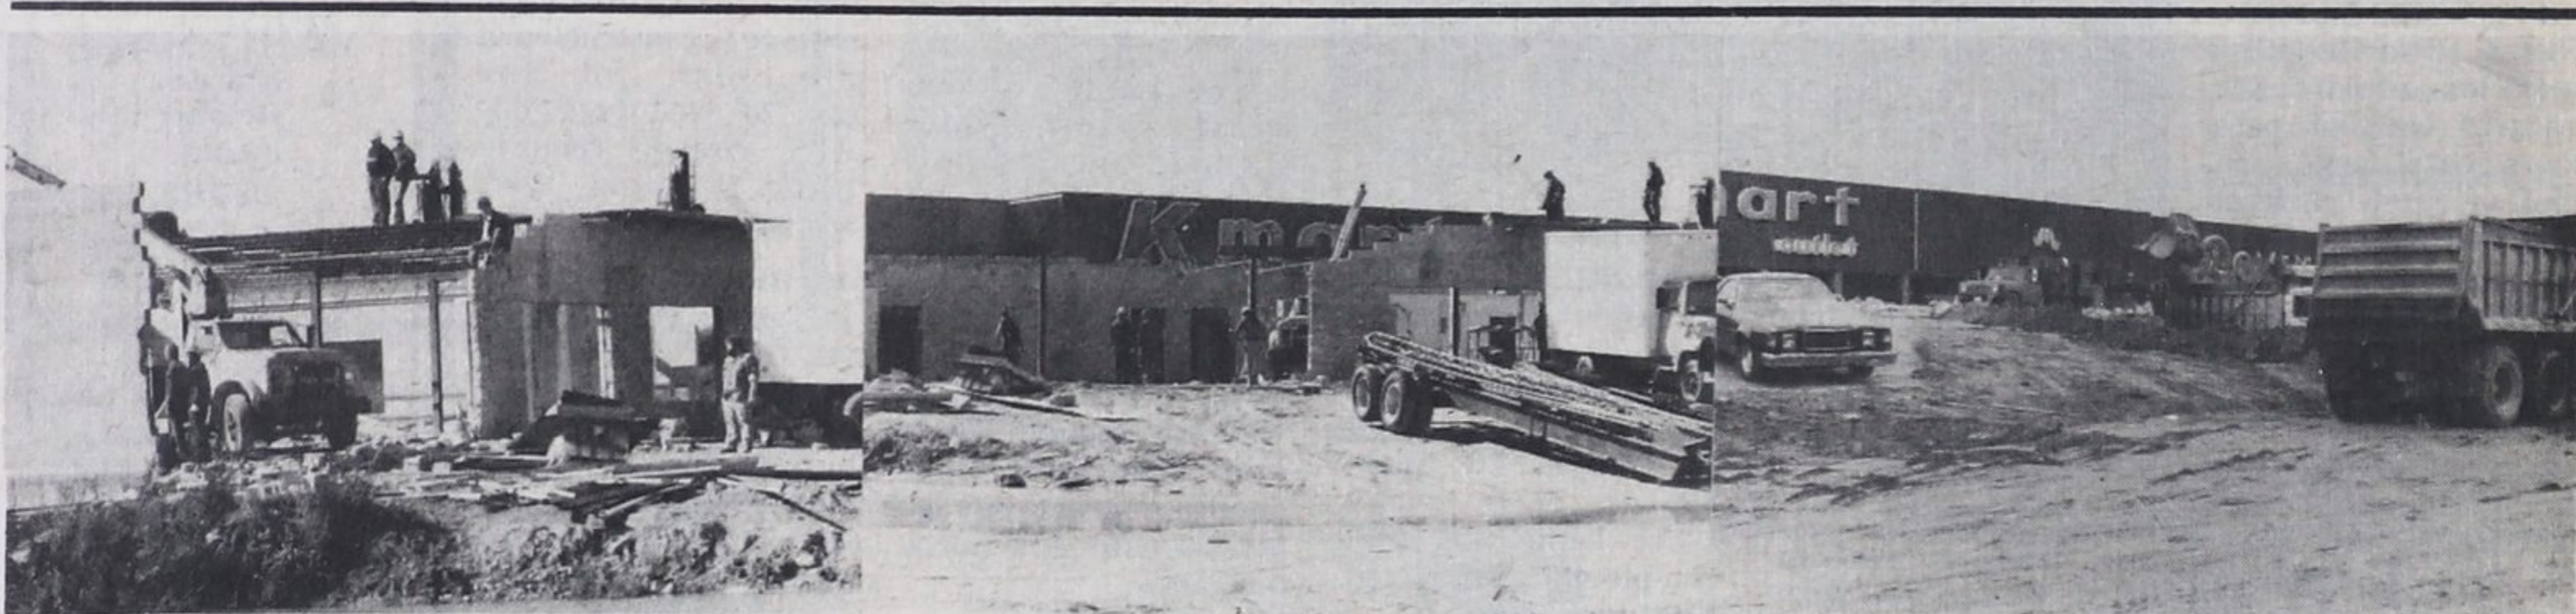

spoke briefly on their impressions of the world conference. The following were elected to serve for the 1983-84 year: Past Pres: Mrs. Murray Bowen, Hawkeston, President: Mrs. Walter Coutts, Stayner, 1st Vice: Mrs. Gordon Downing, Barrie, 2nd Vice: Mrs. James Steers, Bradford, Sec-Treas: Mrs. Ray Tuck, Elmvalle, Public Relations: Mrs. Maude Freeman, Orillia, Standing Committees: Agricu-

lture & Cdn Industries: Mrs. F. Anderson, Alliston, Family & Consumer Affairs: Mrs. Aubrey Addison, Orillia Education and Cultural Activities: Mrs. Doug Ross, Orillia, Curator Tweedsmuire Hisotry: Mrs. Joe Lea, Hillsdale, Resolutions:

Mrs. Murray Bowen, Hawkeston, Federation of Agriculture: Mrs. Orval Hughes, Bradford, Scholarship Chairman: Mrs. Don Woodrow, Coldwater, Auditors: Mrs. Ruth Dixon, Elmvalle and Mrs. Hazel Simpson, Elmvalle.

## Today's Quote

"Drive-in banking may have been invented so that new cars could see their real owners!"

## Going, going, gone

With the newly constructed Mountainview Mall looming large in the background, the A.E. LePage Highway Mall, which has been a familiar

sight on Highway 93 for the past several years has disappeared by way of the demolition crew. In just a few days over the past week, the structure

has been changed from a place of business to a parking lot for the new shopping complex which is scheduled to open shortly. The photos above

show the work progressing as the mall quickly disappears.

## Village of Port McNicoll County of Simcoe

The Ontario Municipal Board has granted approval of By-Laws 691 and 708. The following is an extract of the by-laws.

In July, 1982, the Council adopted Official Plan Amendment No. 1. The actual amendment is not lengthy and is as follows:

1. That Sections 5.2 Residential Phase 2 (b) Policies clause (1) and Section 5.8 Special Policy Area (b) Policies (1) are hereby amended by adding a new paragraph as follows:

'For the purposes of this section the term 'development' shall not include the replacement or upgrading of an existing substandard dwelling to a maximum floor area of 83.5 square metres nor shall it prohibit the addition of a garage, carport, sundeck, or other similar non-inhabitable structure, providing that:

(a) such upgrading, replacement or addition receives approval from the Council of the Village of Port McNicoll, the Ministry of the Environment and the Simcoe County District Health Unit, and that

(b) the existing private sewage disposal system is satisfactory to service the existing or replacement dwelling and any upgrading or additions proposed. Where a system is found to be deficient then a certificate of approval by the Simcoe County District Health Unit and/or the Ministry of the Environment for a new system must be issued prior to an approval by the building department for the upgrading or replacement of a dwelling or addition thereto, and that

(c) generally the upgrading or replacement of an existing dwelling or addition does not encroach upon land which would be required for a future septic system in the event of a failure to the existing system, and that

(d) the upgrading or replacement of an existing dwelling or addition is for the residents' personal use and is not intended to increase the number of persons residing in the dwelling, and that

(e) the dwelling is serviced with an adequate and potable supply of water.

No building permit shall be issued until such time as Council is satisfied that the private sewerage system and water supply for the dwelling is adequate and that approval has been received from the Simcoe County District Health Unit and/or the Ministry of the Environment.'
