BY BEULAH M. BARR

Moonstone Presbyterian Church will be celebrating a very special Anniversary this year. The 95th Anniversary of the

Church will be held on Sunday, Oct. 23, at 11 a.m. with Rev. Alfred Moore delivering the message and the choir of St. Andrews Presbyterian Church,

Coldwater, in attendance to administer in Song. With the historical past and many descendants of the forefathers of that era living in the area, the Church has been and is a very important Religious Centre in the Community. A most cordial invitation is extended to each and all to attend this important service. Refreshments will be partaken of following the service and a time of fellowship enjoyed by all those who attend from near and far. Please come.

Mr. and Mrs. Ross Gibson and Mr. and Mrs. Brian Gibson motored to Aylmer to spend the Thanksgiving weekend visiting Mrs. R. Sykes, an aunt, who resides there and also visited relatives in Ottawa, before returning home.

Mr. and Mrs. Lloyd Johnstone, R.R. 2, Orillia, visited at Deepdale Farm on a recent evening.

Mrs. Austin Moran has not been enjoying

good health, her friends hope things will soon change for the better for her.

Bird migrations are taking place very day, with many flocks of Canada Geese wending their way southward. One flock was noticed flying north instead. Could that mean something? The blackbirds and redwings have been gathering in huge flocks for days and their migrations are something to see when the flocks all get together and pass any given area in a seemingly endless stream which can last for thirty minutes or longer. 'Bye 'Bye Blackbirds.
