

# Delegate attending Calgary conference

Bonnie Rothwell, president of the Midland-Penetang District Real Estate Board is attending the Annual Conference of The Canadian Real Estate Association (C.R.E.A.) in Calgary.

She is joining 1,500 other real estate practitioners from across Canada to discuss the present status of the real estate industry and what the future holds. This is the 40th anniversary year of C.R.E.A. with the past four decades witnessing its membership grow from less than 700 to more than 54,000. They all subscribe to a strict Code of Ethics and Standards of Business Practice. All are licensed by provincial governments.

The economy and real estate activity are closely linked with this year's real estate activity giving added impetus to the belief the country has turned the corner and is moving away from the recession.

For the first seven months of the year purchases in Canada processed through the Multiple Listing Service were 35.7 per cent higher than in the same period last year.

Purchases in the area served by the Midland-Penetang District Real Estate Board followed the national trend. Delegates to the Conference, including the president from the Midland-Penetang District Real Estate Board, will be exposed to new techniques and innovations aimed at serving the public better.

## SCOUTING AROUND

by Harry Brown

Region plans a great event for next June. Give a lot of thought to the plan. It will give the opportunity for you as a Parent, to experience the type of camping with your family or for you, as a Leader, to take your family with you and share together Scout Camping Life.

The Lakeview Region has plans for a Family Camping Program in June of 1984. This is for ANY registered person, boy or adult, to take his or her family together as a family unit and go Regional Camping! e.g. A Boy could take Dad, Mom sisters and brothers. A Leader could take all the family. We plan a huge, fun-filled family get-together. Give it a lot of thought and Plan To Be There!
