

# Very important skating competition

by Linda Tomlinson  
The Owen Sound Figure Skating Club would like to introduce you to a very important competition, the 28th annual Sectional Championships, to be held in Owen Sound Nov. 17, 18, 19, and 20, at the Bayshore Community Centre and the Coliseum.  
The Central Ontario Section of The Canadian Figure Skating

Association encompasses 107 clubs in a geographic area stretching from Ajax and Oakville in the south, west to Kincardine, north to Lion's Head and the Severn River, and east to Lake Simcoe.

This section governs 17,000 skaters, including Canadian champions Brian Orser, Kay Thomson and the pair team of Barbara Underhill and Paul

Martini. Approximately 200 of these skaters, aged 10 to 20 years, will compete in Owen Sound. The Central Ontario Section of The Canadian Figure Skating Association is considered to be one of the strongest and most progressive of the thirteen in Canada. Great honour has always been brought to the Central Ontario Section by the performances of our

skaters at Canadian and World Championships. In Helsinki, Finland, at the World Championships this past March, the 14-member team included several Central Ontario Section skaters. Brian Orser and the pair team of Underhill and Martini, all of the Central Ontario Section, captured bronze medals. The Sub-Sectionals are a run off of certain events in preparation

for the Sectionals. The Sectionals are the first step for qualifying towards the Canadian Figure Skating Championships. At this level there are 16 events. After placing first, second, third, or fourth in the Sectionals, the skater would advance to the Divisionals and if successful there, would qualify for the Canadians. Sectional Championships are important as

they give the public the opportunity to watch a high level of competition. Many local and area skaters deserve to be recognized for their dedication and hard work. Local interest will be high as we expect many local skaters will be competing. As well as the competition there will be exhibitions by skaters who have already qualified for the

Canadians (those skaters who have placed first, second, or third in the Canadians the previous year). There will be a Championship Banquet held at the close of the championships, the Champions, their coaches, chaperones, officials, local politicians, and championship committee, totalling approximately 250.
