## Bayshore extension job awarded

Robert and George Bidan Construction has been given the job of laying sewers and making a road in Midland between King Street and Second Street. Bidan Construction won the job with a low bid of \$88,836.96.

The town is going to spend \$40,000 and receive a further \$80,000 from the province. A total of \$190,000 was budgeted by the town in 1983 for the Bayshore Drive extension.

Next year the public works committee expects that the remainder of the \$190,000, \$150,000, will be spent on the extension, plus a further \$22,000.

The mayor and the reeve voted against awarding the tender to Bidan Construction.
