

A job well done

Midland Salvation Army's Christmas hampers will be a little fuller this year thanks to a Tin Can Show staged last Saturday morning at the Roxy Theatre. Jim Robb is shown packing

some of the 500 or so cans of food youngsters brought to the theatre as the price of admission.

HOLIDAY SAFETY TIPS FIREPLACE

If you have a fireplace, always use the screen. Caution children about

getting too close. Don't burn trash or armloads of gift wrapping because the roaring flames they create could ignite creosote

deposits in the flue passage or send flaming brands flying up and out of the chimney, warns that Ontario Safety League.
