Local Georgian graduates

More than 200 graduates received their graduation diplomas at the winter convocation ceremonies held in the Georgian College Theatre in Barrie on Saturday, Jan. 28. This was the first time in Georgian's 17 year history that a convocation ceremony was held in the winter. The large group of students graduating from Georgian's co-op programs made the winter convocation necessary.

Among those graduating can be found many local residents who should be congratulated for their accomplishment. They are:

Elmvale Anthony Hope, Francis Crawford, Penny Pauze, Paul Thomas Trace, Dan Cousineau, Bruce Graves, David Jacobs, and Paul Drysdale.

Phelpston: Brian Gillespie, Maureen Jean Somers and Garry Campbell.
Wyevale: Gwen

Beacock: Wasaga Beach: Alvine Chauvin, Michael Coleman, John Fleer and Margaret

McCabe. We wish all of you the best in finding employment in the area in which you graduated.

Elmvale O.P.P. report

An accident occurred on Feb. 3 at the Medonte Mountain Ski Resort parking lot. Cheryl Doman of Barrie, driver of a vehicle that apparently slid on a stretch of ice, crossed into the path of another vehicle driven by Frederick Duquette of Penetanguishene. The Doman vehicle sustained \$2500 damage while the Duquette vehicle received only \$50 damage.

Concession 5, Medonte, north of County Road 19 was the site of an accident which took place on Feb. 3. Keith Newell of RR 1, Victoria Harbour, apparently lost control of his vehicle when it

skidded on ice. The vehicle then apparently struck a snowbank and proceeded to roll over. While no charges were laid, a passenger, Teddy Newell, sustained minor injuries and was taken to Huronia District Hospital in Midland.

An accident occurred on Feb. 6 on Highway 93 north of Hwy. 400. William Hill of Mississauga was the driver of a vehicle which was apparently proceeding southbound. The driver reportedly attempted to make a right-hand turn to enter Highway 400 and decided he was going too fast to complete the turn. Hill apparently then

swerved his vehicle back onto Highway 93, lost control on loose gravel, and entered the northbound lane, colliding with another vehicle driven by Terry Pelletier of Port McNicoll.

While \$400 damage was done to the Hill vehicle, Pelletier's vehicle sustained \$3000 damage. Hill has been charged with excess alcohol.
