

MARCH 26 TARGET

Organization of blitz for diabetes tomorrow

by ALLEYNE ATTWOOD

Canvassing for a cause is not the greatest job in the world, but it results in the greatest returns of any method of fund raising.

The local Diabetes Association needs volunteers for the job, from both Midland and Penetanguishene. The blitz will be March 26.

Tomorrow at 7:30 p.m., anyone, man or woman, who can lend a hand, even if it is only to canvas a few houses around their neighbourhood, should come to Penetanguishene General Hospital to help put kits together and get a

territory. Even if you cannot come tomorrow night, and wish to canvas, call Fran Moreau at the hospital during the day (549-7442) or at night (549-7611).

Since 1953 the Canadian Diabetes Association has been helping diabetics learn how to live with diabetes. The resources available to all are many-clinics, physicians, education centres, camps, meetings with health professionals about diet, blood glucose monitoring, exercise, treatment and control.
