## OFSSA eludes MSS skiers

MSS Boys Alpine Ski Team had two extremely difficult days of racing with very stiff competition in the OFSSA Alpine Ski championships in Ottawa, on Feb. 23 and 24th.

Team scores seemed hard to come by since three racers had to finish each race.

Thursday's giant slalom over heavily mogulled terrain saw Mark Kitching in 33rd spot and Traver Gammell in 65th, out of 128 racers competing.

With only two racers finishing the Midland Team placed 23rd out of 32 teams.

Friday's slalom event was held on a long, steep icy course with Mark Kitching in 37th spot and Brad Kitching in 57th

out of 128 racers.

Unfortunately Traver Gammell and Mike Ross had D.Q.'s and therefore again we had problems getting a team score.

The two day competition was won by Georgian Bay Secondary School from Meaford and the best boys team in Ontario is Collingwood Collegiate whom we have competed against all year and done well.

Unfortunately the difficult courses took their toll of many a racer.

However, the experience gained will never be forgotten.

Thanks to students council and the physical Ed. Dept. for all your financial help.
