

R.C. Board Highlights

ECOLE SAINT LOUIS
\$598,000 is the tender price received for construction of the new Ecole Saint Louis in Penetanguishene for The Simcoe County Roman Catholic Separate School Board. The new school will contain two kindergarten rooms and six regular classrooms.

The lowest of thirteen tenders was received from Weber Construction of Guelph. The tender is subject to final approval by The Ministry of Education before the contract for construction can actually be awarded. If that approval is readily forthcoming, then construction of the

school could start immediately. The project is unusual in that funds for the project actually come from BILD funds which were designated by the provincial government as employment generating funds.
ST. JOSEPH'S SCHOOL
Sketch plans for the new St. Joseph's School

in Vespra Township have now received approval from The Ministry of Education and the office of the Ontario Fire Marshall.
OTHER BUSINESS
In other business at its March 7 meeting The Simcoe County Roman Catholic Separate School Board:

1. received a delegation regarding French Language Instructional Unit in Barrie.
2. heard plans for the Blessing and Official Opening of Father F.X. O'Reilly School in Tottenham which is to take place on Sunday, March 25, 1984 at 2:30 p.m. Cardinal Carter will participate in the blessing of the school.

3. heard a report from Superintendent of Schools D.G. Carroll concerning a new Ministry of Education Resource Guide called **Personal and Societal Values**. The guide is to provide assistance to classroom teachers in fulfilling the general curriculum aims of providing children with

opportunities: (a) to develop and maintain confidence and a sense of self-worth. (b) to develop the moral and aesthetic sensitivity necessary for a complete and responsible life.
4. received an update on plans for the visit of His Holiness Pope John Paul II.
