Salute to Orser in Orillia

The city of Orillia will be the site on Saturday, June 23 to host "Huronias Salutes Brian Orser".

A letter submitted to Midland town council Monday evening, from Brian's coach, Doug Leigh, suggested that the surrounding communities of Penetanguishene, Midland, Orillia, and Barrie, along with the

Township of Tiny and the County of Simcoe, an opportunity to honour Brian for his silver medal performances in the Olympics and World Championships.

Many groups, organizations and communities throughout the area and across Canada have expressed a desire to honour Brian, however, it

would be impossible to fulfill all of the requests for personal appearances.

As a result of all the conflicting pressures of training for next year's Canadian and World Championships, it is hoped that one "Huronias Salutes Brian Orser" can be staged.

Doug Little, a director with the Mariposa Skating Club and

Richard Crowder of the Orillia Figure Skating Club will be involved in organizing the event.

This salute will provide the Canadian Figure Skating Association, the Olympic and National Skating Team and our Federal and Provincial Members of Parliament a chance to acknowledge Brian's accomplishments.

MSS gals garner fourth win

The MSS girls' soccer team won their fourth game of the year in convincing style as they clobbered Elmvale District High School for the second time this year, by an 8-0 count.

In their previous engagement, MSS rolled to an 11-0 romp.

Linda Ferraro led the way for the MSS squad, scoring three times. Michelle Shannon and Michelle Burgess each added two goals and Diane Schult netted the other marker.

With their fourth victory the stage has been set for their match-

up against undefeated Park St., Thursday, at the MSS pitch.

In their previous meeting, Park St. shut out Midland 5-0. MSS Coach Roger Bell feels that Park are at the peak of their soccer program.

"They have a good mixture of experienced veterans and rookies,"

Bell said. "They carry the game to you and force you to make mistakes," Bell added.

"In our previous meeting with Park, three quarters of the Park only held a 1-0 lead, however, our defense and offense collapsed near the end of the game," Bell commented.

"If we play aggressive, we can beat them! The girls' play better at home," Bell concluded.

The top two teams will play for the Zone title, with the winner advancing to the GBSSA championships.

Currently, MSS and Park are one and two in the standings.

Hot bats for R & R

by RANDY BUTINEAU
Penetang R & R Sports have been involved in two games so far this year, and both times they proved to the opposition that they will be a force to be reckoned with in Georgian Bay Women's Softball League.

Thursday night at the Little Lake ball diamond in Midland, Penetang held a 16-0 lead after four innings of play and eventually trounced their rivals, Midland Therriens, 18-2. Penetang's winning

hurler, Dale Butt struck out seven Therrien batters and allowed only four hits.

In the RBI parade, Trudi Fontaine was five for five at the plate and drove in three runs. Marg Dorion was three for three and knocked in two runs.

There were plenty of sparkling defensive plays, despite the lopsided score.

On the Penetang side, Marilyn Morrassse made an excellent catch, while on the run in the fourth inning.

Carmen McNamara

made a dazzling catch, when the Therrien's squad was putting together a comeback.

Donna Pilon ended the game with an exciting throw from left field.

Midland's Cindi Gallagher hit the ball, deep into the leftfield corner, over Pilon's head in the fifth inning. The ball rolled to the fence, however, Pilon picked up the ball just as Gallagher was rounding second.

A perfect throw to third baseman, Annette Marchand resulted in Gallagher being thrown

out at third.

However, all was not lost for Midland, Gail Latour made the catch of the game, as she came from deep centre field and made a spectacular diving catch in the final inning.

R & R coach, Ernie Dubeau was again, pleased with his teams' performance. "Dale pitched better tonight (Thursday) than she did a year and a half ago," Dubeau praised.

"Our offense has really been our strength in the first two games. It's plain and simple, if you got the pitching, you win games. We have good fielding, pitching and defense," Dubeau commented.

Ball one!

Midland Therrien's catcher, Julie Anne Zoschke, left, reaches high in the air to retrieve the pitch from her pitcher, while Marilyn Morrassse of the Penetang R & R Sports squad keeps a

good eye on the ball, in Thursday evenings contest at Little Lake Park. Penetang won their second game in a row, defeating Midland 18-2.

Rivals Clash!

Peter Roi, left, of the Huronia Optical Hawks is being hounded by the persistent forechecking of John Walter of the Stoneleigh Pontiacs, in both teams' first regular season ball hockey game, Sunday afternoon at the Penetang arena. The

Hawks edged the Pontiacs 3-2. Roi is an all-star defenceman with the Penetang Kings, while Walter is a high scoring centremen for the Midland Stoneleigh Centennials.
