Quasar

IT ONLY LOOKS EXPENSIVE.

It's the Quasar VH5031 and it delivers for less than you might expect. Consider if you will a 14 day, 1 program timer, 8 full hours of recording time, one touch recording, and a 4 function remote control with picture search, still and frame advance. You'll even find features like automatic rewind and 12 pushbutton electronic TV tuning.

Why not check it out soon. It's just part of a full line of Quasar VCR's and accessories. You'll be surprised just how far a buck will go when you're looking at a Quasar.
