SCOUTING AROUND

by HARRY BROWN

"I would see that Scouting groups are geared down for the summer. No news has come put from most of the groups so I can only guess you are still there.

First Wyebridge reported a great Weekend Campout for the Cubs took place at Bass Lake when they joined forces with Orillia District Cubs and Beavers.

The boys qualified during the weekend for Badges, Observer Badge was the most favoured one.

The weekend finished with a mammoth Balloon release.

Small tags were placed in balloons carrying the

boys name and address and a request that if retrieved, a note be sent to the boy telling him where the balloon landed.

A good campout was enjoyed thoroughly. Don't forget the Family Camp at Earl Rowe Provincial Park. This is the best bargain you will ever see. The best surroundings, the best weather. Contact District Commissioner John Baker if you haven't already done so and tell him how many are going.
