Penetang Tykes split weekend ball games

Penetanguishene IGA Tykes split a pair of games over the past week as they dropped their first game to Midland by a 13-6 margin, but won a thriller on Thursday as they downed Barrie by a 6-2 score in perhaps their best game of the season.

In the Midland-Penetang match-up, the IGA Tykes had difficulty on the pitching mound as they gave up 13 walks in the six innings played.

Tim Mason took the loss for Penetang and even a strong relief performance by Jeff Duquette wasn't enough to get the boys back in the game as their bats failed them at crucial times in the contest.

Both Paul Desrochers and Steven Dubeau played well offensively as each scored two runs in the game.

It was Midland's Chris Leonard who starred in a relief pitching role as he held Penetang to just two hits in the two innings he pitched.

On Thursday, June 14, IGA Tykes played their best baseball of the season, both offensively and defensively and were deservedly rewarded with the win.

It was milestone in the IGA Tykes brief history as they finally defeated Barrie for the first time in two years of York-Simcoe play.

An excellent pitching performance by Jeff Duquette (his first starting assignment of

the season) highlighted the win as he struck out eight batters and allowed only four walks in the full seven innings he pitched.

Duquette not only did it with his pitching, but his glove hurt Barrie as well as he accounted for six put-outs which were hit directly at him.

The game as a true pitcher's duel with no runs being scored in the first two innings of play.

It wasn't until the top of the third before Barrie managed to score two runs.

The IGA Tykes did have their chances, but stranded six runs in the first three innings.

With the lead, Barrie played well defensively and didn't commit any errors even on some sharply hit balls to the in-field.

However, the defensive gem of the game went to Penetang's Steven Dubeau in the fourth when he went high into the air to snag a fly ball hit to his backhand.

This catch inspired his teammates and the momentum began to shift.

The score remained 2-0 for Barrie until the bottom of the fifth when the IGA Tykes scored two of their own to tie the game.

The inning began with a walk to newly acquired first-baseman, Grant Patterson, who along with Raymond Dupuis and Laval Dubeau, were all playing in their first game.

Tim Mason then followed with a single to advance the runner.

It was at this point that Barrie's pitching began to falter as they gave up two consecutive walks, the second of which allowed Penetang to score its first run.

Another walk to Dupuis gave the IGA Tykes its second run which tied the game.

Duquette quickly went to work again in the top of the sixth and faced only four Barrie batters to retire the side.

The local squad then began their charge in the bottom of the sixth.

Steven Lafreniere lead off with a walk only to be advanced to second base by a hard single by Paul

Desrochers.

Shawn McConkey then drew a walk to load the bases.

Tim Mason, whose bat had been very quiet over the past few games, came up with the offensive hit of the game, a line shot triple just over first base which enabled the IGA Tykes to score three go-ahead runs.

The next two players were put out in order, but it was Steven Dubeau who hit a strong single to score Mason from third for their sixth run and fourth of the inning.

The inning ended with both Dubeau and Dupuis on base, but Penetang had a very comfortable 6-2 lead.

It was Duquette's strong pitching in the top of the seventh which stalled Barrie's bid to play catch-up baseball.

He faced only four batters to retire the side.

Patterson managed to end the game on a fine running catch of a short fly ball in foul territory along the first base line.

All in all, the win was a major accomplishment for the local boys who put together their best team effort to date.

IGA Tykes' next outing is Saturday, June 23 when they play host to the Bolton Tykes at McGuire Park with a 10 a.m. starting time.

Once again, the public is invited to come out and watch some entertaining baseball.
