

DRIVE SAFELY-SCHOOLS OPEN!

Now that schools everywhere are opening their doors to our children to teach them what they will need to know to carry them into adulthood, please, drive carefully and watch out for our children — they may not be watching out for you. Children

don't always obey traffic rules, but please see that you do — especially in and around school zones. Give our kids the opportunity to grow and learn proper safety. Give our kids a brake — the future depends on it!
