

Summer of '84 is over

Summer's over for another year at Wasaga Beach as this picture taken over the weekend illustrates. There wasn't a car to be seen Saturday along the beach when this picture was taken.

JA RC Board program takes its show to Collingwood

Students in Grades 9, 10 and 11 in Midland and Penetanguishene are welcome to attend the first general meeting of Junior Achievement for the 1984-85 year which will be held at Ernst Leitz Canada Ltd., Oct. 17 from 7 p.m. to 9:30 p.m.

The program that will be launched Oct. 17, is a "Learn-By-Doing" approach.

Of the students who attend the general meeting two groups of approximately 20 each will form their own companies and meet weekly with their advisor teams to set up and run their businesses from October 1984 to April 1985.

Students who missed JA recruiters at their high school during the last two weeks of September or who just are not yet convinced that JA is for them, are welcome to come to the General Meeting on October 17 and see for themselves. JA CAN change your world.

In its annual effort to meet the people, Simcoe County Roman Catholic Separate School Board took its regular meeting to Collingwood on Oct. 3.

It was Open House night and Harvest Festival Week at the school.

Large crowds were out to meet teachers and Board members.

Trustee Reverend S. Murphy celebrated the annual School Opening Mass at 8 p.m. The school choir sang a number of hymns during Mass. The Board Meeting followed.

It began with pictorial welcome from students Robin Dewhurst and Debra Prezio. They were joined by Principal Lou Belcourt who welcomed the Board and introduced the members of the staff.

In her opening remarks, Board Chairman Mary Jo Quilty of Midland thanked the large group of parents present for their support of the school.

She noted, it was a milestone year beginning as it did with the historic visit of His Holiness Pope John Paul II.

Mrs. Quilty expressed sincere appreciation to staff and students who contributed to the success of the visit. A preliminary draft sketch of an addition to St. Mary's School was also unveiled at the Board Meeting.

The sketch of the proposed million dollar addition to the school is still preliminary until Ministry of Education officials have an opportunity to study the Board's proposal. The addition will provide needed relief for the school which now has seven portables on its grounds.

Time For A Change?

Georgian College offers a special program to give you a new career direction in the eighties and best of all

THERE'S NO TUITION FEE!

This unique opportunity is especially geared toward women.
