**Here comes
that familiar
white and red
truck
... Buildall's
on the way!**

Over two million ft. of lumber in stock at all times-with many grades, species and sizes.

Over ten thousand pieces of plywood and prefinished panels in stock.

Complete line of building hardware, electrical and plumbing supplies.

A Home Planning Centre with hundreds of designs for homes, cottages and do-it-yourself projects.

Manufacturing and custom millwork facilities for that special job.

A contractor and industrial division for large and small projects.

Estimates and quotations available.

The office and showroom is located in downtown Midland with plenty of free parking.

Delivery available in the area with our own fleet of trucks
