There are only three weeks remaining in the 1984 Molson Big Fish Contest operated by the Ontario Federation of Anglers and Hunters.

Fish caught in Ontario waters during regular open seasons until Nov. 30 are eligible for entry in one of the nine classes in either the catch and keep category or the live release category. Every class remains open for entries and every angler has a chance to win.

Prizes offered in the 1984 Molson Big Fish Contest include 18 Evinrude electric trolling motors and 270 Mitchell 2230 RD spinning reels with matching rods. A total of \$38,000 in cash and prizes will be divided among 270 possible winners. As well, a 9.9 hp Evinrude outboard motor will be presented to one lucky sportsman who is awarded the title of Molson Big Fish Contest Angler of the Year.

Every angler entering a fish meeting the minimum length or weight standard will receive an award certificate and a beautiful Michael Dumas print, suitable for framing.

There is no entry fee required of participants in the Big Fish Contest, but every entry must be accompanied by an official entry form and a photograph of the fish. These forms are available from bait and tackle shops, sporting goods stores, tourist lodges, or directly from the Ontario Federation of Anglers and Hunters, Box 28, Peterborough, Ont., K9J 6Y5. The last date that contest entries will be accepted at this address is, Dec. 7, 1984.

You can't win if you don't enter. Many "big ones" are landed in the cool waters of late autumn; a winning fish may strike on your next cast.

Winners will be announced on Dec. 31.
