by CLARA POWER

Port McNicoll Public School has held an election for its Junior Council.

This election was based Wednesday on the same rules that govern Municipal elections.

Pupils in Grades 7 and 8 were eligible to run for office. There were poll clerks, returning officers, speeches and promises made by the students that were running for office. The results of the voting are as follows: Reeve: Jennifer Hocken, Deputy-Reeve: Shelly Dubbin, Councillors: Patti Newlands, Janet Lewis, Lori Kirdeikis, Clerk-Treasurer: Chris Kelly.

The Clerk-Treasurer's appointment was decided yesterday, after much deliberation over the applications that

were received.

This council will meet once a month, with the same agenda as our Senior Council.

May this council be as successful as last year's!

These young people are very aware, and capable of good suggestions. Who knows? When they grow older they may decide to run for political office.

LIBRARY NOTES: Ideal Christmas gifts are available at our Port McNicoll library.

Plates with a picture of the library for \$5 each and gold pens for \$2.

Plates with a picture of the library for \$5 and gold pens for \$2.

And don't forget our stocking stuffers (pocket books) at five cents each.

We would be delighted to have every person in

the village drop in and sign the Christmas Card in our Lobby.

Councillor Pat Armstrong attended the North Simcoe Waste Management Association meeting last Thursday night.

Members of this group have a heavy responsibility to find another site within the three years allotted to the Pauze site.

To this end they have been holding closed meetings to enable the members to really concentrate on this issue. Now they are opening the meetings to the media and observers.

However, as there is a lot of work to be covered, they are requesting observers to (a) put questions to their representatives prior to the meeting or (b) hold questions until the "New Business" part of the meeting. By adhering to this rule the meetings should proceed in an orderly and efficient manner.

Donna Jackson brought in the following item: Nov. 13 marked the enrollment of this year's new Port McNicoll Guides and Brownies. A total of 28 girls were enrolled at a ceremony at Port McNicoll Public School.

Parents and friends were present, and some of our first year Guides

were enabled to complete work on their Hostess badges by serving their guests refreshments.

Already this year the girls of the Guide unit have taken a hike at the Wye Marsh, had a cook-out at the home of Mrs. Wanda Dunn, and celebrated Hallowe'en with a special party at the Community Centre. Costumes were judged by Mr. and Mrs. Reg Quesnelle. First prize

was won by Sherry Juneau, 2nd prize by Toni Jackson and 3rd prize by Heather McDavid.

The Brownie Unit have been busy working on their cyclist badge. Both the Brownies and Guides are planning to attend Maple Leaf Gardens for a special Guiding Celebration being held March 31, 1985, in honour of 75 years of Guiding in

Canada. Cost for this trip will be \$10 per girl. This promises to be a once-in-a-lifetime experience for our Girls.

HELP WANTED for our float entry in the Christmas Parade on December 1. Clowns, carpenters, handy men and women, walkers and singers. Our float has won prizes two years in a row.

Come on out and we can all help win again. Call Lynne Newlands at

534-7111.

Councillor Jack Haight was in attendance at the North Simcoe Waste Management Association meeting last Thursday.

He is particularly interested in the Recycling aspect of our garbage disposal problem. And I quote Mr. Haight: "I do not feel that burying it is the answer."

In 20 to 30 years (whatever the life expectancy of the new site) you will be in the same position - looking for a new site. The answer is recycling, humus and waste energy reclamation.

The way to reduce garbage starts with a Home Sorting Program."

Anyone wanting more information on this, please contact your Councillor Jack Haight.
