

Elmvale Peewees lose heartbreaker to Midland

by DOUG PHILLIPS
Brown's Red and White Foodmaster Peewees played a Friday night game against the Midland Peewees and though Elmvale seemed to have the territorial edge in the play, they came out on the short end of a 5-4 score.

the scoring for Elmvale on an exciting length of the ice rush, but his lead lasted only 60 seconds when a good passing play started by Doug Lunnie and Craig Dempsey allowed Chris Leonard to even the score.

An Elmvale penalty at the end of the first period and another in

the first minute of the second, gave Midland an excellent chance to pull ahead, however, Doug Beardsall, Darren Haines and Robby Conn did a terrific job of penalty killing, but the only shot on the Elmvale net, with 2 seconds to go in the penalty, put Midland into a 2-1 lead. Elmvale's Paul

Turner slapped a goalmouth pass from Robby Conn into the net to bring his team even again.

The Elmvale boys learned the hard way that you cannot win while sitting in the penalty box as Midland took advantage of another power play to pull ahead once more

on a goal by Chris Bales assisted by Sean Lavin.

Elmvale finally got a chance to put their power play into effect at 5:44 of the third and quickly tied the game again at 3-3 on a goal by Robby Conn from Doug Beardsall.

This only lasted for one minute as Midland's

Chris Leonard notched his second goal from Doug Lunnie and Craig Dempsey.

With Elmvale pressing for the equalizer, the defence was caught up the ice and Midland's Chris Larmand popped in a pass from Mike Boyd to increase their lead to 5-3.

A goalmouth scramble in the last minutes saw Mark Elliot snare a pass from Robby Conn and narrow the gap to 5-4.

Elmvale pulled their goalies in favour of an extra man, and though they buzzed around the Midland net, they could not pull out the tie.
