

# Moreau Farm Juveniles weld potential winner

by  
**GEORGE ALLEN**  
Moreau Farm Equipment Juveniles are in the process of welding together a diversity of talent to form a unit that can pursue a goal.

The team captain, Kevin (wheels) Swan has the speed and experience to make other teams jittery in their puck-handling skills.

Dan (Porky) O'Neill has given up his position as cheer leader to add a little beef to the Elmvale attack. The line is completed by Paul (Pesky) Steele who combines the odd combination of speed and irritation to upset the opposing teams.

Tricky Charlie King will centre assistant, Rodger (La Grande) Allen and Paul (Smoothy) Bumstead. This line will show pleasing finess offensively, but will have to prove their defensive capabilities.

A third line will have to be crafted out of Wayne (Muscle) Allen, Dan (Muscly) Clement, and Larry (Chapeau) Amos. This mystery line has been composed to satisfy the curiosity of a coach who is supposed to be busy at something.

The team defesne will be bolstered by Mike (the Bruiser) Hall, a player that is still trying to leave his impression on others. Battling Barry Marlie, one of Phelpsston's finest, has started his hockey career somewhat late in life but is trying to sandwich skills between enthusiasm and determination to dish out entertainment.

Keith (the General) Norwood (not size) be an excuse for timidity. The general is in complete control of his assigned zone.

Phillip (Steady) Maxim has come out of retirement to add some authority to the juvenile defense. Jeff (Flash) Nesbitt has both offensive speed and a shot that should make goaltenders flinch as well as making those behind the glass duck. While he is starting the year on defense, there is no telling where he will end up. It is rumoured that those who came late may have to act as backup to the goaltender.

Duane (the Glove) Janes is back in goal after many years of retirement. The strength of his skills are no surprise to those of us who watched him withstand the pressures of playing goal for one of Elmvale's finest peewee teams. There is little doubt has he will need his whole reservoir of latent skills before this season is over.

The management of Moreau Farm Equipment Juveniles is once again in the capable hands of Brian Swan (affectionately known as Mr. Duck), one of the few people who have managed a regional atom championship team, a North American championship peewee

team, and an Ontario championship juvenile team. Team trainer, Claire (Cool) Norwood,

should add an air of composure to a group of individuals that have a tendency to skate off in

all directions at once. Colin Elliott has volunteered to act as water boy for the team.

The juveniles are sure to be impressed by the suggestion that water is the lubricant of a

winning team. Colin has the unenviable task of steering teams through the OMHA play-off

scheduling. George Allen will be out standing on the bench again this year.

## Major Atoms faced stiff competition in Dundas

Midland Little Lake BP Major Atoms competed in the West Valleytown hockey tournament over the weekend and lost the championship in a close final match.

Midland's first game was against London Sabres and came out 4-1 winners. Each with a marker were Troy Calley, James Kranz, Adam Deacon and Bill Leonard.

With the win, the team qualified to enter the championship match

against Milton.

Milton is a double A team and Midland is a single A team, thus giving Milton the advantage.

The first period ended scoreless. Shawn Traynor gave Midland a surprising 1-0 lead at 4:28 of the second.

Milton got the next two markers with Milton's second goal coming with only 53 seconds left on the clock.

The final period was also scoreless giving the game and championship to Milton by 2-1 margin.

Ryan Deschambault was named most valuable player in the match against London and Dean Scott received the same honours in the match against Milton.

A total of 16 teams took part in the tournament and coach Bruce Murdock felt that the team had nothing to be ashamed of by coming in second.

He added that the team could of won but the puck just trickled wide of the Milton net in the final seconds as the Midland squad put on the pressure.

Murdock went on to say that his team is lucky to practice once a week and that his team enjoys the stiffer competition. "We will take on any team," he said.

Coach Murdock said that he is pretty proud of his team.

## Brown's Peewees demolish Borden 10-0

by  
**DOUG PHILLIPS**

Brown's Red and White Foodmaster peewees from Elmvale got back on the winning track this past Friday night blasting the Borden peewees 10-0.

Robby Conn opened the scoring, inside the first minute, with a good rush from his own end.

Excellent defensive work and tenacious fore checking by Jeff Parent kept Borden scoreless during a power play early in the first.

In the closing minutes of the period the Elmvale squad caught fire and scored 4 more times. A goal mouth scramble gave David Chambers his first goal of the game assisted by Jason Tapscott and Mark Phillips.

Robby Conn netted his second unassisted marker and Darren Haines

let a high hard shot go from the blueline that fooled the Borden goalie. With four seconds remaining Paul Turner made it 5-0 on a pass from Joe Van Laarhoven.

The pace of the game slowed down in the second, however, Elmvale increased their lead by 2 on Conn's third goal and one by Mark Elliot from Joe Van Laarhoven.

Elmvale took some unnecessary penalties in the third but Borden could not take advantage of their powerplays to get on the scoreboard.

Doug Beardsall continued Elmval's scoring streak on a good unassisted effort. This was followed by Robby Conn's fourth goal, set up by Paul Turner and David Chambers. Chambers then closed out the scoring with his second goal, deflecting a pass out from the corner by Robby Conn.

## Elmvale Minor Bantams has 5-3 win over Midland team

Elmvale Bantams hosted Midland Indusmin Minor Bantams and came out 5-3 winners over the visiting club last Sunday.

After a scoreless first period which featured excellent goaltending by both Elmval's Mike Rossel and Midland's Steve Duncan, Midland opened the scoring on a shot by Scott Bales from Greg Lalonde and Jesse Perreault.

A minute later Bales scored again, unassisted, to give Midland a 2-0 lead going

into the final period.

Elmvale started the final period with two quick markers by Tim Jacobs assisted by Steve Dove and Kevin Hubbard and Scott Kirton from Don Robertson and Kevin Hubbard.

The tie lasted for 38 seconds when Sean Lunnie put Midland ahead 3-2. Assisting on the goal were Ted French and John Brophy.

Two quick goals by Elmval's Jamie Grant and Kirton turned the lead over to the hometown club.

The final Elmval marker came with one second left on the clock when Hubbard put the puck into the open net.

Both teams had many chances in the side open played game.

Midland will host Meaford Dec. 1 at 4:30 p.m. at the Centennial Arena.

Inn at Bay Moorings is pleased to present their

# GASTRONOMIC EXTRAVAGANZA

New Year's Eve 1984

Join us for a  
**6 Course Gourmet Dinner**
