We currently have vacancies in our Engineering Department for the following:

SECRETARY

This demanding and busy position incorporates a broad variety of duties. The heavy volume of typing, including shorthand and transcription, travel arrangements and telephone contacts are all aspects of the day-to-day functioning of this office.

Qualified candidates will be a high school or business collage graduate with 3-5 years experience in an engineering environment. Excellent typing skills are required and preference will be given to those applicants who have initiative, organizational skills and are able to accept a high degree of responsibility.

A detailed resume should include both typing and shorthand speed.

JR. DRAFTPERSON

To take the responsibility for the making of detailed drawings of tooling and for making revisions to production parts drawings. Preparation and revisions to Bills of Material would also be required.

A 2 year community college graduate in mechanical drafting with 2 years related experience. Applicants must have the technical ability to work with precision instruments. Preference will be given to those with related computer background.

EMPLOYMENT INTERVIEWER

Candidates for this challenging position should have the ability to recruit qualified hourly personnel and maintain related employee records. A workable knowledge of collective agreements and benefit programs would be an asset.

Qualified applicants must be a high school or business college graduate with two years experience in an industrial environment. Preference will be given to those with computer experience. Submit detailed resume to:

Ms. Cora Miller,
TRW Seat Belt Division
140 Bay Street, Midland, Ontario. L4R 4L5 95,96
