

# Elmvale juveniles off to disappointing start to season

by **GEORGE ALLEN**  
Moreau Farm Equipment Juveniles have had a disappointing start to their new season. Honeywood was to be at Elmvale for the season opener but could not field a team.

One week later the Moreau boys went to Chatsworth through a storm which limited the local entry to seven members without the services of a goalie.

There was pride in that team which, having borrowed a goaltender, played the Chatsworth entry to a four-four tie. However, this could best be viewed as disappointment number two.

There was enthusiasm when a full team gathered at Creemore on Sunday, November 18 to record the first official game of the schedule. What resulted could only be described as disappointment number three.

Those loyal spectators that follow the Elmvale team must have felt cheated by the classless actions of players that confuse toughness with mouthing at referees, shunting some unsuspecting player from behind, and taking dumb penalties. Dumb penalties are those penalties picked up by a

player where such actions have no meaningful influence on the play taking place. Some individual performances merit mention because they were unflawed by other thoughtless actions.

Rodger Allen turned in a two goal performance. Keith Norwood was brilliant time and again on defence. Kevin Swan picked up a couple of points and supplied the leadership expected of a captain.

Duane Janes, returning to goal after a number of years out of hockey, turned aside enough shots to make the score a respectable 6-5 for Creemore. This feat was accomplished in spite of the fact that

Elmvale was short-handed on ten occasions. Several people were impressed with the strong skating of Paul Bumstead, the determined efforts of Larry Amos and Mike Hall,

and the steadiness of Dan Clement (playing forward after years of defence). This team will have to overcome the obstacles of inexperience, limited scoring punch, and no back-up goaltender. It

was unfortunate that attitude was the greatest flaw in the team make-up. Perhaps it is as well that the team doesn't play at home till Sullivan comes to town on Sunday, Dec. 2.

## Elmvale Grizzlies start season with 10-4 win

by **KEITH ROSSEL**

Elmvale and District Lions Club Grizzlies played their first home game of the season last Saturday morning.

Their opposition was the Elmvale Hawks, the other Elmvale entry in the North Simcoe House League Atom Division.

Grizzlies won 10-4.

It was an exciting game and the score was not really indicative of the play as both teams played well. Jeff Van Kolfshoten and Matthew Wickett each scored four goals for the winners while Jason Lapane had two goals for the Hawks.

The Grizzlies built a 4-0 lead on Van Kolfshoten's first two goals and singles by Wickett and Shawn Griffen.

Phil Rossel assisted on two of these tallies. Hawks then battled back to tie the game on goals by Jeff Pickering, Katherine Elliott, and Lapane.

Despite a lot of effort by the Hawks, the floodgates opened. Wickett fired three more goals and set up Mark Rossel for another. Van Kolfshoten scored another pair. Damean Battiste had two assists as did Shawn Griffen.

As the Hawks again tried to battle back, they were foiled by the steady defence of Scott Belcourt, Jason Cowan, Jamie Jacobs, and Andrew Giffen. Jay Stone made some good saves late in the game in the Grizzly net.

Grizzlies next game will be at Wasaga Beach next Saturday morning.

## Elmvale peewees ousted by North York team

by **DOUG PHILLIPS**

Elmvale's Brown's Red and White Foodmaster Peewees were busy again on Saturday, taking part in a tournament in Meaford.

Even though they didn't seem to be pressing too hard, they came up with a 4-0 win in their first game against Wheatley.

Some good passing by David Chambers and Jason Tapscott put Robby Conn in the clear for the only goal of the first period.

Jeff Parent made it 2-0 with his nice power

play goal set up by Robby Conn and Doug Beardsall.

Midway through the final frame, Andy Lee slipped one by the surprised Wheatley goalie. David Chambers earned his second assist on Lee's goal. In the dying seconds, Gerald Martin, teamed up with Robby Conn to end the scoring.

Kevin Fay received a trophy for his shutout which was the first in the tournament up to that point, and Robby Conn received a trophy for the most valuable player.

Elmvale didn't fare as well in their second game when they came up against a large and aggressive team from North York and just couldn't seem to get on track. North York took a one goal lead early in the second period.

Robby Conn, teamed with Jeff Parent and Doug Beardsall, tied things up with a power play goal early in the second and Darren Haines gave Elmvale a 2-1 lead assisted by Robby Conn and Doug Beardsall.

Elmvale's lead was short lived, as North

York came back with six unanswered goals. Doug Beardsall, who received a trophy for

the most valuable player of this game, assisted Robby Conn for the last Elmvale goal.

The final score was North York 7-3, eliminating Elmvale from further play.

## Atom A's romp over Penetang 9-0

Atom A's hockey team got off to a fast start on Friday night by scoring three goals in three minutes.

At the 24 second mark Gary Edwards scored from Gerry Stone. Showing good team cooperation and passing, Carl Priest connected from a pass from Darren Sage and Mark Raven to give Elmvale a 2-0 lead.

A short time later, Gary Edwards scored from Gerry Stone. The teams both played well but Darren Sage scored from Carl Priest and Chris Chambers to end the period at 4-0.

In the second, the Penetang team seemed to pick up steam and really had Elmvale boxed in, but Elmvale goaltender Kent Faye held them off. Elmvale got two goals in the

period from Cory Tapscott and Darren Sage assisted by Gerry Stone.

The third period saw alot of end to end hockey.

Cory Tapscott managed two more goals in the period to give him the hat-trick. Darren Sage also got his hat-trick assisted by Carl Priest to end the game 9-0 in Elmvale's favour.
