

Bantams go at it again tomorrow at 8 p.m.

Midland Indusmin Minor Bantams faced Bolton, last week in game two of the Ontario Minor Hockey Association Semi Finals.

The teams played through a scoreless first period with end to end action.

Forty-one seconds into the second period, Bolton opened the scoring when Greg Allen scored on their second power play chance. The score was tied at the 9:48 mark when Ted French

converted a John Richardson pass. The tie was not to last long as Mark DeSantis restored the Bolton lead 14

seconds later. At 6:05 Allen increased the lead to 3-1. Midland narrowed it to 3-2 when Jamie Peden scored on

a power play from Ted French. With just 21 seconds remaining in the period Bolton again took a two goal lead as

Mark Fitzpatrick scored.

Bolton put the game out of reach in the third

as they scored three times before Midland closed out the scoring when Sean Lunnie stole the puck at the Bolton

blueline and went in alone. Final score was 7-3 evening the five game set at a game apiece.

Block Parents program could spout up soon

Concerned parents in Victoria Harbour have taken the first official steps towards establishing a cooperative neighbourhood network of safe homes under the Canada wide Block Parents scheme.

About 25 parents

gathered downstairs in the Victoria Harbour Town Hall at 8 p.m. Monday evening to discuss the plan with their town councillors, OPP Acting Community Services officer Roy Tyo, as well as representatives from the public school,

Catholic school, and from the Caswell's Beach area.

Monday night's community decision to create a volunteer committee of nine,

Obituary

A.E. Letherby

Arthur Edwin Letherby, a former Midland resident, passed away at Santa Maria, California on March 15th, his 79th birthday, after a lengthy illness.

He was a son of the late Mr. and Mrs. John Letherby, of Midland. He was born in Midland, where he was educated and spent his early years. In his youth he sailed on the Great Lakes for a time. He became a motion picture projectionist and was employed in theatres in central Ontario.

Later he operated theatres in centres including Barrie, Penetanguishene and Orillia. For many years Mr. Letherby resided in California where he was engaged in real estate development prior to retirement.

He married Elizabeth Brown, of Collingwood, who survives, along with a son Barry, also of California.

Also surviving are sisters, Mrs. W.B. Leatherdale (Loreen) and Mrs. Morley Yon (Gladys), both of Coldwater, and brothers Lester of Belleville, and Lorne of Coldwater.

He was predeceased by brothers Lloyd and Gordon and a sister, Mrs. Grace Naysmith.

chaired by Angela Evans, has made Victoria Harbour eligible for full administrative assistance from the Block Parent organization.

Although there was

insufficient response to get a similar project established four years ago, Evans is most encouraged by the initial response to the current initiative.

She is predicting

official Block Parent signs (considered a deterrent in themselves) to be sprouting in Victoria Harbour

windows within two months.

Just add water!

Those paddles from the Canadian Tire store across the street may not be quite long enough to reach the water, but (from LEFT) carpenter Richard Chretien, welder Doug Howell, and project manager Ray Baker expect to have Midland's newest tour boat

ready for an early May launching. The 40 foot Ste. Marie which will carry approximately 75 sightseers between Midland Town dock and the Martyrs' Shrine, is nearing completion in a shed behind the PMCL building on Bay Street.

Out with the old

Preparing for the grand opening of the new Barber and Haskill Home Furnishings in May, Orillia's Paul Irwin (left) and Joe Skinner were busy Monday morning removing the old

Field's Hardware sign from the King Street store. From the looks of things these two enjoy their work, and they plan to be back with the new sign soon.
