

Public school gym meet had 'big-time' flavour

by
PAUL SANDERSON
Despite excellent physical education programs offered at most Area 3 (Waubaushe to

Penetanguishene) elementary schools, budding young gymnasts must still go outside the school to find skills building competition. Ten years ago,

Head Coach Kenny St. Amand and Port McNicoll Public School Vice-Principal John Turner began the Hurons Gymnastics Club to fill that very

need. From its original membership of 20 youngsters, the club now boasts 300 members, ages four to 16. While club members

benefit from competition with other clubs from as far away as Williamsville, New York, and Niagara Falls, the Hurons annually host an Olympics style gymnastics meet for competitors from Area 3 elementary schools.

Almost 300 young gymnasts registered for

the 1985 Area 3 Hurons Gym Meet at MSS Saturday. To add an Olympic flavour to the event, and to avoid discouraging young competitors, no marks were assigned for the routines. Instead, MSS student judges marked each performance with a gold, silver, bronze, or green merit card. Winners were then

awarded the appropriate ribbons.

While approximately 200 friends and parents watched from the full bleachers, girls competed in floor exercise, vaulting, balance beam, and uneven parallel bars. Boys events included floor exercise, vaulting, parallel bars, high bar, and rings.

Memories wrap up a super season

The Penetang "Memories Lounge" Oldtimers ended another season April 19 to 21 by participating in their final tournament until the fall. The tournament was sponsored by the Scarborough Burros Oldtimers Hockey Club and held at a double arena in Scarborough.

Memories Lounge crew won their first game 4 to 2 over a tough Parry Sound squad. Larry Banks led the way with two goals, with singles going to Alvin Robillard and Ed Trudeau.

In their second game, Penetang defeated Coxwell Old Sports from Toronto 2 to 1 in a very exciting game. Gerald Gignac netted both Penetang goals.

The third game proved to be Penetang's downfall as they were out-played and out-scored by Ajax Oldtimers to the tune of 7 to 1. Jim Rooney had the lone Penetang marker.

Penetang finished with a 2-1 record in their division, but their goals for and against was not good enough to get them into the finals.

Larry "Kid" Leroux played outstanding throughout the tournament was cited his team mates for excellent all-round play.

Alvin Robillard, another Oldtimer veteran, said he hadn't seen the "Kid" play that well since their days together in Minor Hockey.

Report

Many areas of research look promising for the future—work in restoring radiation sensitivity to cancer cells, identifying populations at high risk for cancer, and studying viruses as possible causes of disease.

Without campaign funds, scientists would not have the valuable tools they use today to diagnose and treat cancer. One particular machine costs over \$1,000,000 to purchase and operate. It's up to you to see that public donations to the Canadian Cancer Society keep pace with the development of these sophisticated instruments.

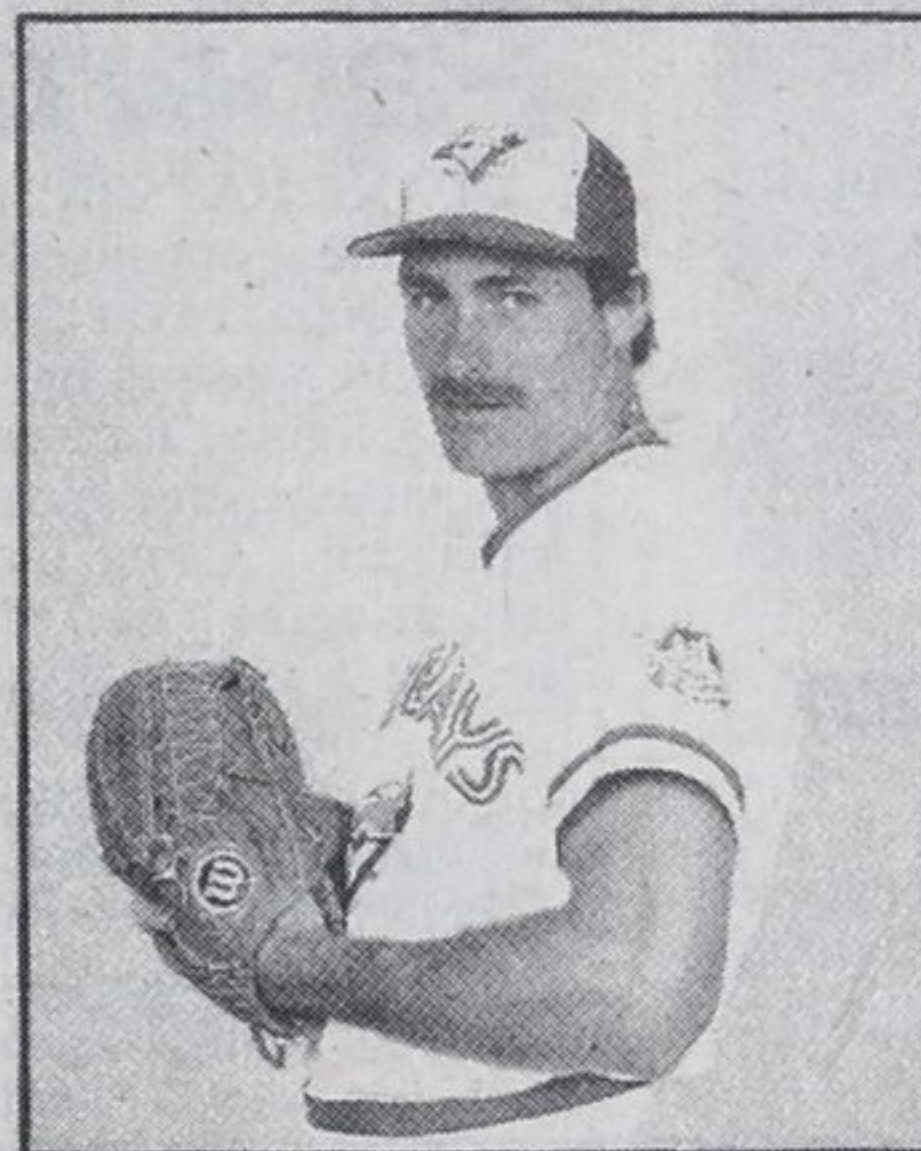

Funds contributed to the Canadian Cancer Society and allocated to research are used to pay the salaries of full-time scientists, laboratory technicians and assistants and to buy essential materials and equipment for cancer research laboratories.

It's Centennial Cup faceoff

Orillia Travelways leading scorer, Brian McReynolds, prepares to face off against a Scotia Colt centreman in Sunday night's opening contest in

Centennial Cup action. The other Travelways player in the picture is Dave Nicholls. Orillia easily won the contest 8-1.

Blue Jays cards with safety tip being given out

Toronto Blue Jays relief pitcher Bill Caudill is one of the best relief pitchers, or, in baseball slang, firemen,

in major league baseball.

Young Blue Jays fans can get a baseball card with Caudill's picture,

and cards of the rest of the team's members, visiting real firemen in Midland.

The Midland Fire Department is one of the fire departments in the province which is distributing the cards, 36 in all, in five sets between this Saturday and the middle of July.

The cards, like all baseball cards, show the player in uniform on one side, and carry basic information on the other side. Included with the basic information on each card is a fire safety tip.

The 1985 Toronto Blue Jays trading card program is a community project co-sponsored by the Ontario Association of Fire Chiefs, the Ministry of the Solicitor General, the Toronto Star, Midas Muffler and Brakeshops, and the Blue Jays.

Set 1, available starting May 11, has a team photo, check-list, and cards of Dave Stieb, Jesse Barfield, Bobby Cox, Tony Fernandez, and Gary Lavelle. Set 2 will be available starting May 25, Set 3 starting June 8, Set 4 starting June 22, and Set 5 starting July 6.
