# Jug City in first place tie with Performance

In Thursday night action in the Penetang-Midland Ball Hockey League, Stoneleigh Pontiac's Ray Hook 'stoned' John Desroches Construction Limited 5-0. Teammates Bill Arbour and Kevin Ellis scored twice each while Keith Moreau added a single marker to account for the Pontiacs scoring.

Jug City did in S. Charlebois Haulage 7-3. Bill Ladouceur notched a hat trick for the victors while James Grozelle added a pair. Dan O'Hara and Brian McReynolds popped in one apiece to round out the scoring attack for Jug City. Answering for Charlebois were Greg St. Amant (2), and David Robillard.

Performance Motor Sports appear to be almost invincible this season as they have only one loss. Thursday night was no different as they rolled to an 8-2 victory over the Commodore Hotel. Kirk

Swales led the way with a hat trick, while Carl Weber added a pair. Other scorers were Dave Wright, Rick Rever, and Chris Wright. Trent Maracle scored both goals for the Hotel.

Thursday's fourth game saw Hindson Marine defeat E&R Discount 6-1. Dave Lefave accounted for most of the Marine scoring as he chalked up five tallies. Bill Hackney and John Yorke chipped in with singletons. Dave Ruston was the only Discounter to light the scoreboard.

In Sunday's action at the Penetang Arena, S. Charlebois Haulage won by default over the hapless E&R Discount 2-0

Jug City Jets kept pace with Performance Motor Sports by edging Hindson Marine 6-3. Terry King, Dave Genier scored twice for the Jets with singles coming off the sticks of Brian and Blair

McReynolds. Scott Hook, Mike Brunelle, and Glen Hirlehey accounted for the Marine coring.

In game two, the Stoneleigh Pontiacs continued their recent winning ways - by downing the Commodore Hotel 4-1. Paul Duval(2), Mac Spears, and Keith Moreau supplied the fire power for the Pontiacs. Chuck Tanti notched the single marker for the Hotel.

The final game of the day saw Mr. Car Wash come within a point in the standings of fifth place John Desroches Construction Limited by defeating them by an 8-3 score. Steve Paul and John Johnson each tallied twice while singles went to Randy Asselin, Al Whidden, Jeff Dunn, and Dan Lethbridge.

Glen Hancock, Brad Copeland and Martial Robitaille replied for Desroches.

Penetang Midland Ball Hockey League standings as of June 2.

# Equal opportunity in employment book available

by SANDRA SADDY

Available now at the Contact Information Centre: A Workbook on Equal Opportunity in Employment, published by the Ontario Human Rights Commission race relations division. A useful workbook helpful in making more effective use of human resources; focusing on race relations issues and other principles on the Ontario Human Rights Code. Summary principles identified in the Workbook are:

We are all subject to various forms of discriminatory treatment.

Racial discrimination is unacceptable.

Equal opportunity is a means of overcoming organizational barriers and discriminatory practices at the workplace.

Equal opportunity equals an effective management organizational function.

Selection must be based on job-related criteria.

Hire and or promote the most qualified candidate.

Termination should be based on an objective performance appraisal.

Employees are entitled to continuous feedback as to what is expected of them.

Take immediate action. A seemingly harmless incident very quickly grows into something larger.

Develop and implement strategies for improving communications and promoting harmonious and ethnic relations at the work-

place.

All employees have different needs which can be met through positive action.

In specific circumstances, the needs of certain groups may have to be met through special programs such as preferential hiring.

A effective equal opportunity program should: incorporate a positive plan of action, reflect issues and concerns of the workplace and the community, comply with the Ontario Human Right Code, be based on broad employee participation, not be unilaterally introduced, not be the sole responsibility of one individual (others lose Interest), be reviewed

and updated by appropriate workplace personnel. The Human Right Code is a useful resource as well as the law. Use it to promote equal employment opportunity.

Just completing this workbook is not enough. Do something!

There are resources. Use them!

Stop by the Contact Information Centre in the lower level of Edwards Village Mall and pick up your copy of this booklet. We are usually open Monday to Friday 9 a.m. to 5 p.m. Remember for free community information and referral call Contact (a registered charitable organization) at 526-9333.
