

### What is red and has a loud siren?

What would a Midland and District Fall Fair be like without a parade and an antique fire truck? Behind the wheel of his very own fire truck is

Midland's Clint Truax with a fire truck full of youngsters on their way last Friday to the fair.

### Ribbons fit for a queen

A favourite duty over the weekend for 1985 Midland Fall Fair Queen Joanne Robillard (above) was awarding prizes like these brightly coloured pony ribbons. The pretty 15-year-old

from Penetanguishene, a Grade 9 student at ESPSS, is the youngest queen crowned in the long history of the Tiny and Tay Agricultural Society exhibition.

June Beardsall (right), as our photographer entered the fairgrounds Friday night. And so...he did!

## 10 million visitors to Huronia

The most recent issue of Huronia Happenings, published by the Huronia Tourist Association, estimates that approximately 10 million visitors to Simcoe County will pump more than \$500 million into the area's economy in tourists' dollars by year's end.

Huronia Happenings notes that tourism is the number one industry of the Huronia region. The publication breaks down how the tourist dollar is spent.

They calculate 8.7 cents is spent on accommodations and 8.7 cents goes to activities and individual attractions. Twenty-eight cents is spent on food and beverage, 28 cents on retail shopping and 27 cents on transportation.
