A couple of weeks ago we were privileged to have author and storyteller Robert Munsch come to our library.

Mr. Munsch has written many children's books, including "Mud Puddle," Thomas' Snowsuit, and many more.

Teachers Barbara McCallum and Mary Jarman brought along the kindergarten class from Port McNicoll Public School to enjoy Bob Munsch's stories, accompanied by his highly animated facial expressions and exaggerated sound effects.

Becky Wilkins, one youngster in the audience, is going to have a story written about her, and her sock, by Robert Munsch.
