

## A job well done

MIDLAND YMCA'S 1986 Operating Campaign, presently underway in North Simcoe, is \$3,700 richer thanks to last Saturday afternoons very successful, fun-filled YMCA 100 Fun Car Rally.

In all, a total of 36 cars and trucks (each with a driver and a navigator) took part in the 82.15 kilometre, 90-minute rally which began and ended at Midland town dock at the Windrifter.

Forces behind the road rally were Bryson McQuirter Jr., YMCA campaign special events chairman and John L. Saunders, rally organizer.

One can only hope this type of fund-raiser will become an annual event inasmuch as "fun" was put back into fund-raising.

For those who didn't take part if the gala road rally let it be known you missed a super afternoon.

As for organizers they certainly win a tip of the hat for a mighty fine job well done.

## It was grrreat!

### Bursting at the seams

Driver Jurgen Pape (right), from Midland Skilja Design, and his navigator Brian Hamelin (left), were full of enthusiasm on the starting line of Saturday's YMCA 100 Fun Car Rally, at Midland

Town Dock.. Although this team's finish was somewhat less dramatic then their start, everybody had a good time, and \$3,700 was raised for the Y's current operating fund campaign.

### You can tell they had a ball at YMCA 100 Fun Car Rally

Winners of the first-ever Midland YMCA 100 Fun Car Rally, staged last Saturday afternoon, appear here with YMCA campaign special events chairman Bryson

McQuirter, Jr., and rally organizer John L. Saunders. From left Doug Reed and Bob Finch, third place winners. Clay and Marilyn Young, first place winners;

Bryson McQuirter, Lorraine Buda and Arnold DeCarli, second place winners. In front is Mr. Fun Car Rally himself, John Saunders. -Michele Gouett, photo

### The only way to travel

This is the only way to travel in a Fun Car Rally. Mr. and Mrs. Jim Blackwell of McDonald's fame rode in a limo over the course of last weekend's YMCA 100 Fun Car Rally. They had plenty to eat

and drink, as Mrs. Blackwell illustrates. By the way their limo came in fifth of the 36 cars and trucks that took part in the very successful fund-raiser. -Photo by Michele Gouett
