

Their work cut out for them

CN railway workers (like these two above) took it in their stride when a 30 ton boxcar, carrying a 40 ton load of flour from Midland's Ogilvie Mills, derailed about 150 metres east of King Street, shortly after 11 p.m. Friday.

After some skillful manouevring with a spare rail and some railroad ties, the diesel locomotive pulled the car back up on the tracks, and was on its way to Orillia by 4 p.m. the same day.

L'Unité du genre humain n'est pas qu'un bel idéal

La plupart des gens considèrent l'unité du genre humain comme une bonne idée, mais sans plus.

Pour les bahá'ís, l'unité est essentielle et réalisable puisqu'elle correspond au dessein de Dieu pour l'ère actuelle. Nous croyons que la plupart des maux de l'humanité proviennent de notre résistance à l'unification du genre humain.

Bahá'u'lláh, Messager de Dieu pour notre époque et fondateur de la Foi bahá'íe, a écrit: *Une vie nouvelle anime en ce moment tous les peuples de la terre... Toutes choses créées portent la marque de cette régénération mondiale.*

En apprenant à mettre en application les enseignements de Bahá'u'lláh, les bahá'ís du monde entier prennent conscience que l'unité du genre humain est un projet réalisable dès maintenant.

Paperbacks

THE WATERSHED: An epic offering from journalist Erin Pizzev (founder of Women's Aid, a British refuge house for battered wives). She dedicates this book to the "seven out of 10 married women" who have suffered the pain of having an unfaithful husband. Fictional heroine Rachel, raised by two maiden aunts, innocent until her husband's confession of infidelity drags her into the 20th century. There's lots that interests here, lots that rankles. In fact, it's four novels in one. Some heavy-handed editorializing about feminism is balanced by the true romance ending (Corgi, \$4.95)

ELEANOR, THE YEARS ALONE: At 61, her husband dead, Eleanor Roosevelt began a new life in which she was not the woman behind the man - she was a successful public figure in her own right. The humanitarian work she had accomplished as "Mrs. Roosevelt" flourished and her attempts at world peace, her recognition of the bully nature of the Soviet Union, her love for Americans made her a cherished political personage. Author Joseph P. Lash describes her friendship with Harry Truman, Adlai Stevenson and her unique role in the creation of the state of Israel in this biography which continues where his Pulitzer Prize-winning Eleanor and Franklin ended (Meridean, \$14.50).
