

Gift wrap a dream at Georgian

If you don't know what gift to get a loved one for Christmas this year, but would like to make it unforgettable, why not "Gift Wrap A Dream"?

To "Gift Wrap A Dream" at Georgian College, an individual may pay for all or part of a student's tuition in any full or part-time post secondary program by purchasing a gift certificate.

Electrical Engineering Technology, Culinary Management, Design Arts and Fashion Merchandising are just a few of the "dreams" that can be fulfilled at Georgian which offers dozens of career-oriented programs, including several which begin in January.

"Many parents already may pay for

all or part of a student's tuition as a Christmas "present", but this makes it more fun", said Julie Brocklehurst, Georgian's information officer. "Gift Wrap A Dream" provides a gift certificate which can be wrapped in a box, attached to a Christmas tree or left in a stocking - a sure way to surprise someone.

Brocklehurst says any amount can be spent on the certificates; as little as \$5 or the full tuition fee.

They can be purchased for mature students as well as those of regular college age and used at all three Georgian campuses - Barrie, Orillia and Owen Sound. An added bonus is that VISA and Master Card are accepted at Georgian.
